DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals).

The mini park is designed to be an oasis from the urban environment. It acknowledges its location with reference to the vertical man-made landscape all around, and eases visitors from a chaotic environment to a contemplative one.

IS THIS PART OF A MULTI-SITE PROJECT, BOND OR CAPITAL IMPROVEMENT PROGRAM?

If yes, which program? Not applicable.

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting.
