WWW

historyofcuba.com – A web site covering 500 years of Cuban history. The site won a SHMOOP award for educational excellence in 2010.

graffitisf.com – The largest collection of images depicting San Francisco street art on the Internet.

jerrysierra.com – Old works and school writings collected with some diagrams. A place for things that don't have another place to go.

- On these projects I wear all hats; designing the sites, coding HTML, XHTML, CSS, JavaScript and whatever is needed. Tools: Adobe Dreamweaver, Fireworks, Photoshop and Flash.
- On historyofcuba.com I did the research involved.

WRITER

- Articles on multimedia and presentations, hardware and software, camcorders & TV post-production. Publications include: Publish, LAN, TV Technology, POST, Petersen's Photographic, Producer's Quarterly, Photo District News, Studio Photography and Presentation Products Magazine. (Samples available upon request.)
