

## SFAC Performance Measures

### **Outcome 1. Investing in local communities through cultural equity grant-making**

Measures
Total dollar amount of grants made to art and culture organizations/year
Percentage of grants closed out on time/year
Number of people attending art events supported by SFAC/year

### **Outcome 2: Enlivening the urban environment through the promotion of equitable access to high quality art and design**

Measures
Number of artworks accessible to the public/year
Percentage of on-time, on-budget restoration, repair, and conservation projects/year
Number of public art projects and exhibitions commissioned/year
Number of Civic Design Review requests initiated/year

### **Outcome 3: Promoting the employment of artists and those skilled in crafts**

Measures
Number of artists commissioned and supported by SFAC as an agency/year
Number of artists and organizations attending technical assistance and capacity-building workshops/year
Number of Street Artists permits issued/year

### **Outcome 4: Build public awareness and policies to reflect the arts as critical to positive social change and innovative government**

Measures
Number of people attending public and outreach programs organized by SFAC/year
Number of projects created and successfully implemented through partnership with other government agencies and/or community partners/year (excluding public art projects)
Total private dollar amount contributed and matched/year
