

Civic Design Review Phase 2

Chinatown Plaza

March 16, 2015

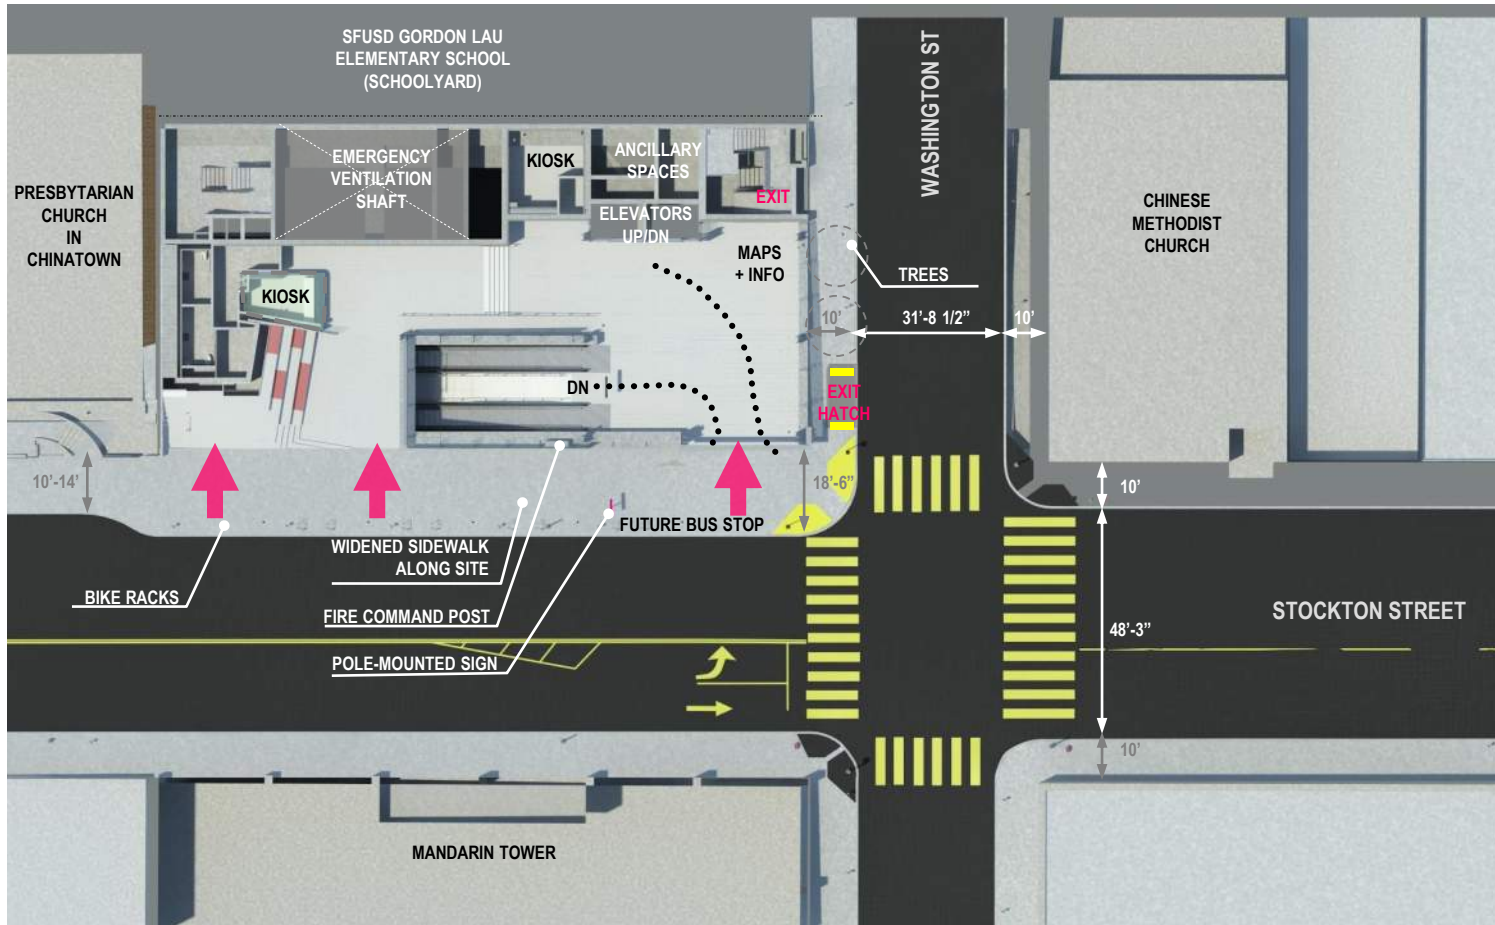

Chinatown Station location + context

Chinatown Plaza Project Goals, Key Changes

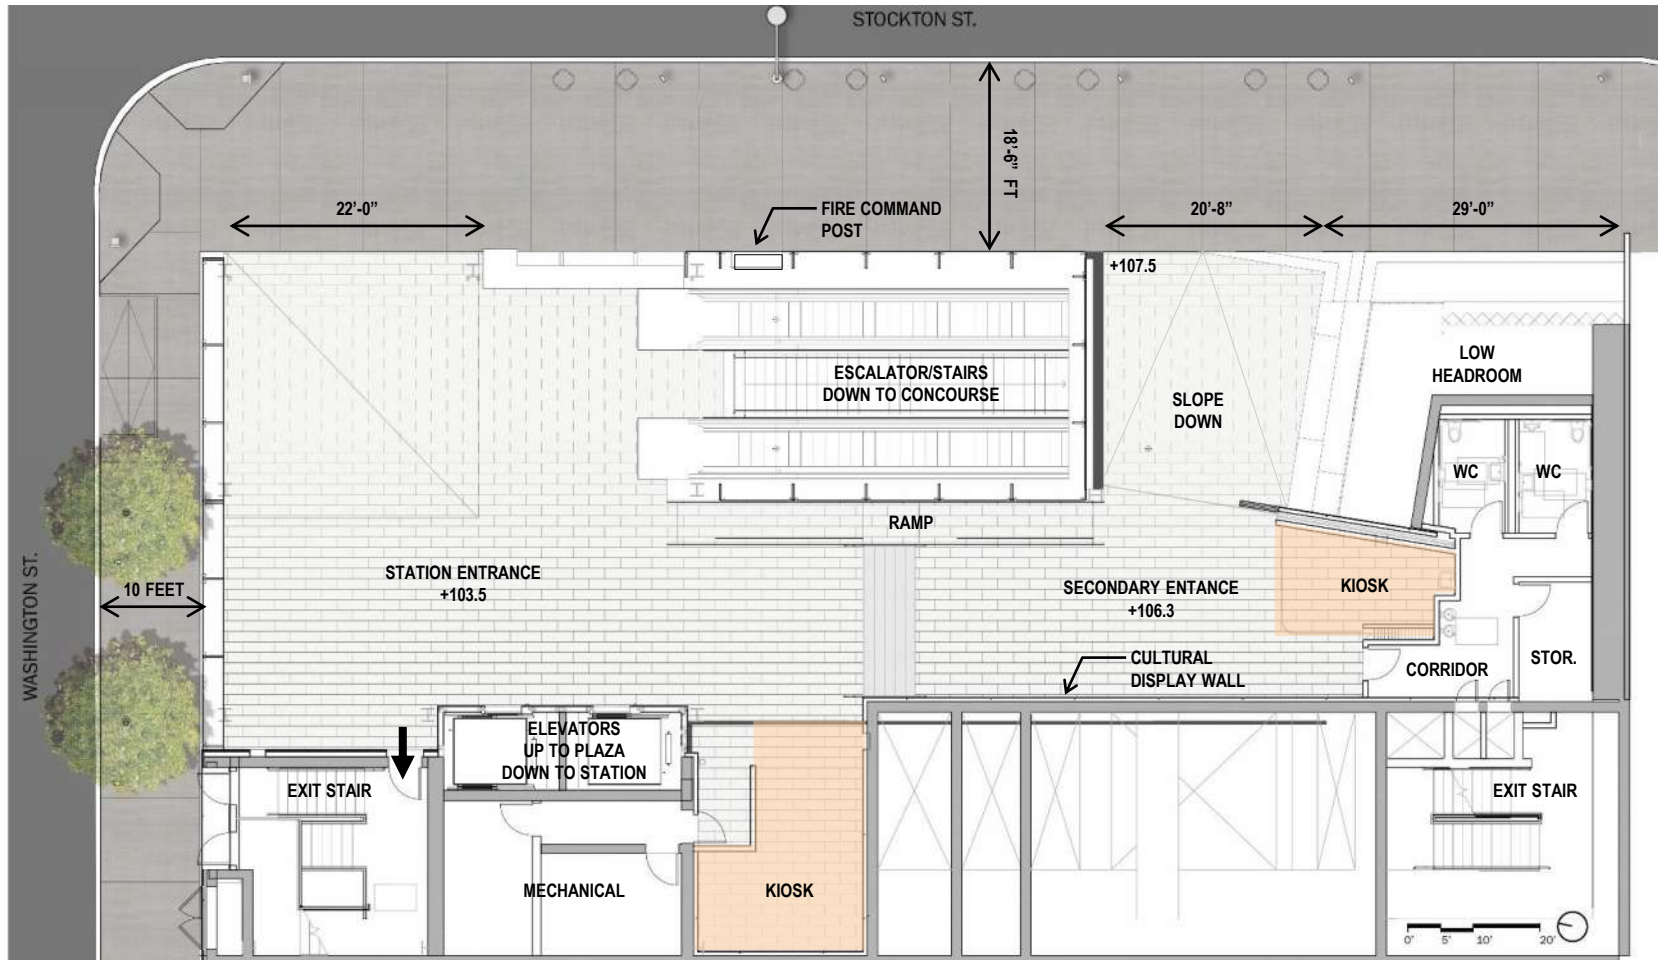

- **Community-led process to determine use above station completed Oct. 2013**
 - Goals, program & conceptual design developed during multiple community workshops and meetings
 - A Welcoming Community Space
 - Connections and Visibility to/from the street
 - Retail opportunities
 - Flexible event/display/cultural spaces
 - Safety and Security
 - Protection from Weather
- **Phase 3 of Chinatown Station was approved Jan. 23, 2012**
- **Phase 1 of Chinatown Plaza was approved on May 19, 2014**
- **Key changes since Phase 1 approval:**
 - Lighting and Landscape design developed
 - Coordination with Artist Tomie Arai, Community & City Stakeholders
 - Materials and colors finalized with stakeholders
 - 'Couplets' panels added at top of cascading stair
 - Parapet wall design simplified and unified with South wall fence design
 - Planter along back to help unify, simplify wall geometry
