RECREATION AND PARKS

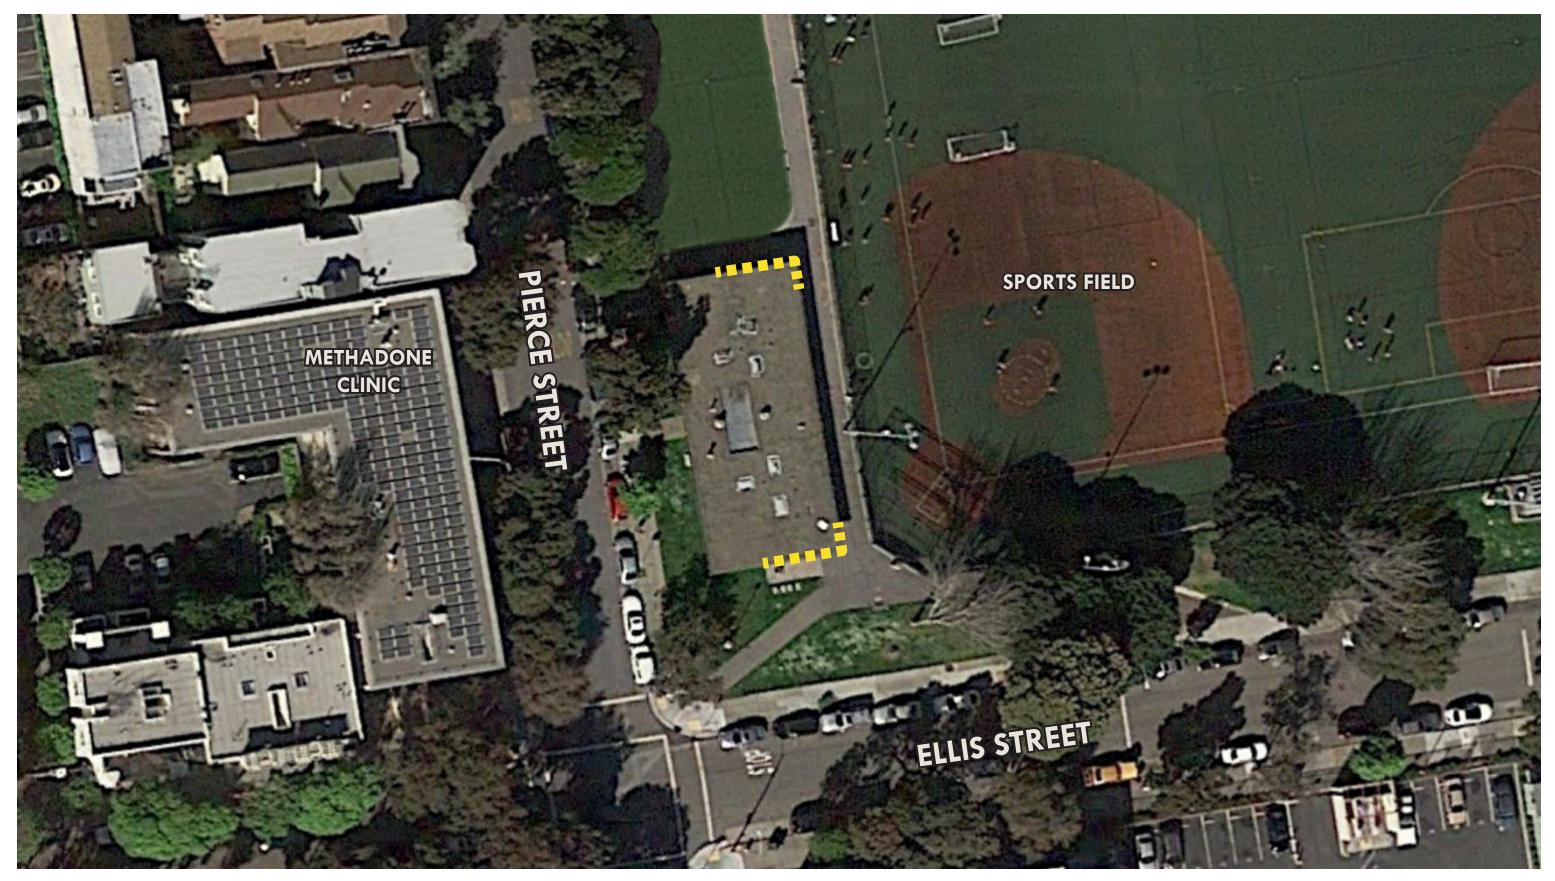

KIMBELL CLUBHOUSE GATES

CIVIC DESIGN REVIEW PHASE I/II/III PRESENTATION PACKAGE FOR MAY 18TH, 2015

EXISTING CONDITIONS

- street

Building Design & Construction

The community response to the clubhouse renovation has been favorable but they have requested gates for the following reasons:

• Overhang space has provided unintended shelter for vagrants

• Safety concerns due to the proximity of the methadone clinic across the

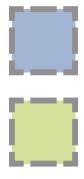

• Additional security for community spaces within the building
