On February 12, 2014, I, Howard Lazar, Program Director of the Street Artists Program met with Street Artist **Manuel Loli** to review the report filed with the Arts Commission alleging that the above Street Artist violated the Street Artist Ordinance on the following date and in the following manner:

(1) December 30, 2013, December 27, 2013, December 24, 2013, October 18, 2013 at Market Street between 5th and 4th streets : Exceeding display length requirements;

(2) December 24, 2013, December 23, 2013 at Market Street between 5th and 4th streets: Selling in a location not designated by the Board of Supervisors.

On October 16, 2013, the Arts Commission sent him a "NOTICE OF WARNING" which informed him that he had allegedly violated the ordinance on October 11, 2013 for exceeding the width requirement on Market Street between 5<sup>th</sup> to 4<sup>th</sup> streets.

On December 7, 2012, he was selling on Market Street between 5<sup>th</sup> and 4<sup>th</sup> streets in an illegal location. As Program Director Lazar approached him, he packed up and left the premises. On October 26, 2012, he was seen set up a few feet west of M-9 and said he was waiting to share with the artist in space M-9. Mr. Loli agreed to not sell until a space opened up and he covered his table.

The above Street Artist states that from now on he will abide by all of the regulations of the Street Artist Ordinance, the rules of the Arts Commission's lottery space-assignment system, and the rules and policies of the Arts Commission's Street Artists Program, and will not conduct business in a disorderly, improper or hazardous manner.

Furthermore, the above Street Artist states that he fully understands the provisions of the Street Artist Ordinance pertinent to his certification and conduct as a Street Artist.

With this assurance, I, on behalf of the Executive Director (Director of Cultural Affairs) of the Arts Commission, do hereby authorize the issuance of a certificate to the above Street Artist.

This is a continuation of the monitoring of downtown area Feb 13 2015

This is in regard to Manuel Lotti. Susan will be sending a report but I feel strongly that I should also write something. Susan and I approached and waited while he finished with a customer. During that time I walked around his booth and took these photos. When he was free to talk we approached him and he immediately brushed us off. Telling us not talk to him. He had very skillfully remove the naked women pieces and when I asked where they were because I wanted to show Susan he refused to show them to me. (see Jpeg 2603) These many other items are ALL in violation and I feel strongly that he feels the rules of our program do not apply to him and his license should be revoked.
