BUDGET

Total Construction Cost: \$6,780,000

Art Enrichment Budget: \$115,000

Please attach the official line item construction budget for the project and provide an explanation. If the Art Enrichment budget is less than 2% of the total construction cost including above and below ground construction unless exempt per the Art Enrichment Ordinance.

DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

The design approach for this building is a "Box" concept. This concept uses color and signage to provide an intuitive reflection to the inner spaces of the building. The two extruding boxes on the facade provide easy identification of entrances and tenants within the building.

ADDITIONAL INFORMATION

- ☐ Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?
