PROJECT DELIVERY METHOD

- Design, Bid Build (traditional)
 - Fast Track
 - Design-Build
 - Bridging
 - Other
 - Construction Commencement: 9/2016
 - Construction Completion: 10/2018
- Approximate Structure size: SW : 800 / NL : 875 sq ft
Total Construction Cost: \$9.3M

*Please attach the official project construction budget and explain the basis of your calculations if the Art Enrichment is less than 2%. Art Enrichment is based upon total building costs including above and below ground construction unless exempt per Art Enrichment Ordinance.

DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.
South Windmill PS - is made to look like an accessory building to the adjacent Murphy Windmill and Millwright's Cottage. The design also reflects the design of the nearby Beach Chalet Field House.

North Lake PS - the design is identical to the GGP-Central PS in Phase 1.

ADDITIONAL INFORMATION (Phase 1 has been approved and under construction)

- Is this project a Historic Landmark, historic resource or located within a Historic District? If so, please contact staff of the Historic Preservation Commission.
- Is this part of a multi-site project, bond or capital improvement program? If yes, which program?
SFPUC -WSIP Program

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?

FEES

Effective July 1, 2014: \$10,220

Projects will now be charged on a per project basis. The Base Fee per project will be \$10,220, however, complex projects or projects involving more than one building may be charged a higher fee. Please communicate with the Arts Commission Civic Design Program Director regarding this.
