Human Resources Director

DATE: February 19. 2013

THROUGH: Micki Callahan, Human Resources Director

FROM: Justice Israel, Client Services Representative

SUBJECT: Report of Exempt Positions Under Charter Sections 10.104-16 Through 10.104-18

Charter Sections 10.104-16, 10.104-17, and 10.104-18 provide that certain part-time, seasonal, temporary and substitute positions may be exempt from civil service selection, appointment, and removal procedures subject to approval of the Civil Service Commission. On June 3, 1996, the Civil Service Commission adopted procedures and guidelines for the processing and approval of such appointments. The commission also authorized the Human Resources Director to act on written requests for exemptions, issue instructions to departments proposing exemptions, and provide the Commission with reports regarding these transactions.

This report covers position requests approved under Charter Sections 10.104-16, 10.103-17, and 10.104-18 from July 1 through December 31, 2013, for all City departments, excluding the Municipal Transportation Agency, Community College District and Unified School District. The position requests are reported by department, exempt category, and classification.

Notes
In August 2012, the City converted its Human Resources management system from PeopleSoft 7.5 to eMerge PeopleSoft 9.0. This conversion required a wholesale revision of most of the processes and operations involving the establishment, approval and filling of positions. One of the significant and necessary changes resulting from the conversion was the elimination of the use of Requisitions as they had been known in PeopleSoft 7.5. In their place, the eMerge PeopleSoft 9.0 Position Request has come to represent the authority for a department to fill a position. For the purposes of this report, the term "Position Request" has been substituted for Requisition.

Because the report pertains to Position Requests which were approved during the six-month period from July through December 2013, some of the appointments made to these positions at the beginning of this period may have since ended. Other requests approved during this period may still be in the process of being filled. Additionally, many Temporary Exempt position requests include a headcount of more than

one. Therefore, the list should not be equated to the number of exempt appointments made in these categories during this period.

Summary of Position Requests in eMerge PeopleSoft

The number of Position Requests in exempt categories 16-18 from July 1, 2013, through December 31, 2013, was:

Category 16:	214
Category 17:	38
Category 18:	412
Total:	664

Summary of Appointments

As of December 31, 2013, the number of appointments in each category, and their respective percentage of the City's total workforce of 29,062:

		% of Total Workforce (29,062)
Category 16:	3,370	11.6%
Category 17:	58	.1%
Category 18:	1,090	3.6%
Total:	4,518	15.3%

The exempt categories are described below:

16 - Temporary and seasonal appointments not to exceed the equivalent of half-time during any fiscal year, except that such positions may be filled through regular civil service procedures.

17 - Appointments, which shall not exceed two years and shall not be renewable, as substitutes for civil service employees on leave, except that such positions may be filled through regular Civil Service procedures.

18 - Appointments, which shall not exceed three years and shall not be renewable, for special projects and professional services with limited term funding, except that such positions may be filled through regular Civil Service Commission procedures.
