Ms. Kay Gulbengay
President
Commission on the Status of Women
25 Van Ness Avenue, Suite 240
San Francisco, CA 94102

Dear President Gulbengay:

As you know, the Friends of the Commission on the Status of Women is a private, non-profit corporation founded in 1976 specifically to raise awareness of and funding for the San Francisco Commission and Department on the Status of Women.

We are very pleased to have made a gift of \$5,000 to support the operations of the Commission and Department for the calendar year 2012. Dr. Murase has presented a proposed budget, but she is free to make changes within the \$5,000 allocation based on the needs of the Commission and Department. I understand and accept that, according to City policy, the Department is required to post gift information on its website, including this gift from the Friends.

We hope that these monies will enable the Commission to further advance its mission of ensuring the human rights of the women and girls of San Francisco.

Yours sincerely,

Marily Mondejar
President
