

**San Francisco's DCYF
Y-LEaD SERVICE AREA (ages 13-21 youth) 2010-11**

| Strategy | Target / Priority Populations | # Programs | Investment via Grants |
|--|---|------------|-----------------------|
| TEEN-SERVING PROGRAMS | | | |
| Beacons | Youth of all ages, as well as parents and community members at the 8 Beacon hub sites and their satellite locations. | 8 | \$2,758,000 |
| Specialized Teen | Youth ages 13 to 17 including students in eighth to twelfth grades. | 57 | \$4,373,135 |
| Youth Empowerment Fund: Youth-led Philanthropy | Youth ages 14 to 17 | 1 | \$400,000 |
| Youth Empowerment Fund: Youth-led Organizing | Youth ages 14 to 17 | 6 | \$621,894 |
| Wellness Centers at public high schools | Youth attending the public high school | 15 | ~\$3,000,000 |
| WORKFORCE PROGRAMS | | | |
| Youth Workforce Development for General Population | Youth ages 14 to 17 with a priority of SFUSD students that age in the Special Education system and youth with traditional barriers to employment including placement in group or foster care, LEP, having disabilities, or being teen parents. | 15 | \$1,838,000 |
| Youth Works | SFUSD 10th through 12th grade students who are engaged with SFUSD's Career Technical Education programs. | 1 | \$1,100,000 |
| MYEEP | MYEEP will serve 9th and 10th graders, predominantly youth who likely face barriers to or have limited access to employment. | 1 | \$2,200,000 |
| School Partner Model | Up to 200 students (in cohorts of approximately 25 students) who are under-credit and/or at-risk of not graduating on time, and who are enrolled in an SFUSD school identified by school staff as potentially benefitting from this programming. | 4 | \$610,094 |
| Youth Workforce Development for High-risk Population | High-need youth ages 14 through 21 years old who may be disconnected from services. High-needs youth (also known as at-risk or disconnected youth) are defined as youth who are under-housed or engage with juvenile justice, and involved with multiple service systems such as child welfare, foster care, diagnosed disability, or attending county/community schools. | 14 | \$1,859,457 |
