Re: Office of Citizen Complaints 2015 First Quarter Statistical Report

I. INTRODUCTION

Attached is the Office of Citizen Complaints' statistical report for the 2015 first quarter. The OCC received an adjusted total of 174 complaints of police misconduct or failure to take action and closed 159 complaints this first quarter. It sustained allegations of misconduct or failure to take action in eight complaints against San Francisco Police officers, which is a 5% sustained rate. The OCC mediated 12 cases, which is an 8% mediation rate.

II. ORGANIZATIONAL AND BUDGET MATTERS

A. Staffing

By the close of this period, 15 permanent line investigators (8124) staffed the OCC, but only 13 of them had full caseloads during this quarter. Two permanent line investigators were acting senior investigators during the first quarter. One of the permanent line investigators acted as a senior investigator continuing to fill the vacancy created when Senior Investigator Erick Baltazar was promoted to the deputy director/chief of investigations position in August 2013. Another permanent line investigator acted as a senior investigator while a senior investigator was on a long term leave. Another 8124 investigator returned from extended leave near the end of the first quarter. Additionally, a temporary employee provided line investigator assistance. By the close of the first quarter, there were three investigator vacancies; two line investigators and one senior investigator. The OCC's budget provided for 17 line investigators, three senior investigators and a deputy director/ chief of

investigations. By the close of the quarter, 18¹ employees (16 permanent and one temporary) staffed the 21 investigator positions.

San Francisco City Charter section 4.127 provides a floor for investigators of one line investigator for every 150 police officers. With 2,181 sworn SFPD members during the first quarter, the floor was 15 line investigators.

B. Technology

During the first quarter, the OCC implemented the City's migration of department email, address book and calendaring to Microsoft 0365 cloud services.

C. Training

The OCC continued implementing its strategic plan for training its employees. In February, the investigators received training on Department General Order 7.01, Children of Arrested Parents. The investigators also were given a presentation by the Bicycle Coalition. Three investigators attended non violent crisis intervention training.

D. Budget

After consideration by the San Francisco Police Commission, the OCC submitted its proposed budget to the Mayor's Office on February 23, 2015. The Mayor's Office's 2015/2016 and 2016/2017 budget instructions directed City departments to prepare a two year budget for 2015/2016 and 2016/2017 with a 1% reduction of general fund support for budget year 2016/17. For this reduction, the OCC's target was \$34,538.00. To meet the 1% budget reduction target of \$34,538 for FY 16/17, the OCC proposed to reduce its clerical staff.

The OCC's fiscal year 2015/2016 baseline budget of \$5,093,985 included \$4, 601,540.00 in personnel costs. Personnel costs comprised 90% of the OCC's budget. The personnel costs partially funded 34.75 positions; however, due to attrition costs and step adjustments, the OCC's personnel budget was \$300,000 short. The remainder of the OCC's budget, \$492,445, was for operations. Of this operations amount, the OCC paid \$307,132 or 62% to the City to rent the OCC's office at 25 Van Ness Avenue.

The OCC proposed budget enhancements rather than reductions to include 4.25 (FTEs) full time equivalents in additional staffing. The proposed staffing included one 8124 journey level investigator, one 8126 senior investigator, one 1051 information systems business analyst assistant and 1.25 – 8177 attorneys. Additionally the OCC requested partial relief from step and attrition adjustments. The proposed enhancements totaled \$636,118 for fiscal year 2015/16 and ongoing costs in 2016/17 totaling \$961,596.

¹ A senior investigator remained on long term leave through the close of the first quarter.

III. INVESTIGATION OF CASES

A. Case Inventory

By the end of the 2015 first quarter, the OCC opened 179 new cases, and closed 159 cases. During this period, the OCC opened 20 more cases than it closed. The OCC closed the quarter with 355 pending cases, which are 22 more pending cases than the close of the first quarter in 2014. By the end of the 2015 first quarter, there were 141 cases from 2015, 210 pending cases from 2014, two from 2013, and two cases from 2011.

B. Caseloads and Disposition of Cases

With only 13 investigators assigned full caseloads the first quarter of 2015 and 14 investigators assigned full caseloads the first quarter of 2014, caseloads were higher than best practices both years.² In the first quarter of 2015, the caseload was 25 cases per investigator versus 24 cases per investigator in the first quarter of 2014. Comparing the first quarters of 2014 and 2015, the average number of days to close cases increased by 20% from 142 to 171. The OCC's goal is to conclude its investigations within 270 days. During the first quarter of 2015, OCC investigators closed 159 cases with 78% of them closing within 270 days and only three of them, which had no sustainable allegations, took more than a year to close. This differs by five percentage points from 2014 where of the 168 cases closed, 83% of them were closed within 270 days. While the average number of days to close cases increased during the first quarter, the average number of days to close sustained cases decreased by 8% to 283 days. In working to better manage the OCC's challenging caseload, the OCC decided to focus on closing sustainable cases sooner.

C. Sustained Cases

The number of sustained cases in the first quarter of 2015, eight, was identical to the number of sustained cases the first quarter of 2014; a 5% sustained rate. In the first quarter of 2015, 50% or four of the sustained cases closed within nine months compared to the first quarter of 2014, where only one case or 13% of sustained cases was completed within nine months.

The ongoing impediments to prompt completion of sustained cases are attributable to at least four factors: 1) Larger than best practices caseloads for investigators resulting in longer times to complete investigations, 2) Several high profile and complex investigations, 3) active trial calendars for the two prosecuting attorneys who also serve as advice attorneys on sustained cases and sustainability reviews and 4) increased policy work for the policy analyst attorney who also serves as an advice attorney on sustained cases and sustainability reviews.

² In its January 27, 2007 audit report on the OCC, the Controller's CSA division found that 16 cases per investigator was a best practices caseload for civilian oversight investigators

During the first quarter of 2015, there were sustained allegations of neglect of duty in six of the eight sustained complaints, or 75% of them. None of these six complaints with sustained neglect of duty allegations were for failure to collect traffic stop data.

The sustained allegations were as follows:

1. Unwarranted action
Detaining, searching, and arresting a complainant and taking his property.
2. Conduct reflecting discredit:
 - a. Failure to check weapon with sheriff's staff when conducting personal business at the courthouse.
 - b. Losing composure in frustration with hospital staff delaying access to a patient who was in custody for psychiatric reasons, yelling and using profanity.
3. Neglect of duty for:
 - a. Failure to write an incident report
 - b. Failure to maintain constant radio contact with dispatch in violation of DGO 1.03 and to provide relevant information regarding the officer's on-view and the resulting course of action.
 - c. Failure to properly supervise.
 - d. Failure to prepare an incident report when an officer declined to take a person into custody pursuant to a request for a private person's arrest in violation of DGO 5.04.³
 - e. Failure to call for backup when initiating a traffic stop in plain clothes in violation of DGO 5.08.
 - f. Failure to issue a certificate of release after handcuffing in violation of DGO 5.03.
 - g. Failure to complete a Property Inventory Arrest Form documenting the amount of cash in the envelope containing complainant's money in violation of the SFPD Booking and Detention Manual, DM-12, Section 5, Prisoner Property.

D. Chief of Police's Adjudication of OCC Sustained Cases

When the OCC Director forwards a sustained case to the Chief of Police, she can either recommend that the Chief of Police file charges with the Police Commission and after meeting and conferring with the Police Chief the OCC Director

³ The OCC sustained this type of allegation in two unrelated cases involving different complainants and different officers.

can file charges on her own with the Police Commission if the Police Chief declines her request. Alternatively, the OCC Director can determine that a case warrants ten days or less of suspension. Sustained cases that the OCC Director determines would warrant no more than ten days of suspension are adjudicated by the Chief of Police. The Chief of Police determines whether or not to sustain the OCC's findings and what discipline to impose. During the first quarter, the Chief of Police adjudicated eight OCC sustained cases as follows:⁴

- **Unwarranted Action and Neglect of Duty** – In an incident involving two sergeants and two complainants, one sergeant wrongfully detained and cited one complainant for marijuana possession and driving while in possession of more than an ounce of marijuana. The complainant had a medical marijuana card and the sergeant observed the complainant in a parked car but did not observe the complainant driving the car. The sergeant wrongfully seized the complainant's marijuana. The sergeant also failed to properly complete the incident report. The other sergeant wrongfully detained the co-complainant who was sitting in the passenger seat of the parked car. The sergeant failed to timely release the co-complainant once the sergeant determined the co-complainant had no warrants and a valid driver's license. **The sergeants were admonished and retrained.**
- **Neglect of Duty** – An officer woke the complainant who was sleeping on a Golden Gate Park bench in violation of the Park Code. The officer cited the complainant but the complainant refused to sign the ticket. In the officer's words, rather than making a time consuming custodial arrest, the officer released the complainant with a warning. In violation of Department General Order 9.05, the officer failed to void the incomplete citation causing the citation to be processed by the Traffic Court and resulting in a \$192 fine being levied against the complainant. **The officer was admonished and retrained.**
- **Neglect of Duty** – In violation of Department General Order 2.01, Rules 9 and 14, an officer failed to promptly and politely provide in writing his name and star number to the complainant upon request. **The officer was admonished and retrained.**
- **Unwarranted Action** – An officer wrongfully seized the complainant's keys from the complainant's double parked unoccupied truck with the engine running. The officer placed a citation on the truck for leaving it running. The officer then left the vicinity of the truck because he was flagged down by someone advising him that a person had fallen around the corner. The officer would have had limited authority to enter the truck to initiate a tow of the truck or if the officer believed the entry or search was necessary to protect lives or property from imminent

damage. The officer instead said he seized the keys to prevent the truck from being stolen. Chief Suhr did not concur with the OCC's sustained finding and found **Proper Conduct**.

- **Neglect of duty** – In violation of Department General Order 5.04, an officer failed to prepare an incident report documenting that he did not find cause to facilitate a citizen's arrest. **The officer was admonished and retrained.**
- **Conduct reflecting discredit** – In violation of civil court house rules, an inspector wore a gun while conducting personal business in court. **The officer was admonished and retrained.**
- **Conduct reflecting discredit** – An officer engaged in inappropriate language and used profane language. **The officer received a written reprimand.**
- **Neglect of duty** – A plainclothes officer made a traffic stop because he believed the complainant's driving was an immediate danger to the public. In violation of Department General Order 5.08, the officer failed to call for a marked backup unit. **The officer was admonished and retrained.**

The OCC received a complaint regarding a man questioned by a Federal Bureau of Investigation (FBI) Agent and a member of the San Francisco Police Department regarding a Freedom of Information Act (FOIA) request that the man had filed concerning his recent travel issues. The complaint alleges among other things violations of Department General Order 8.10 and biased policing prohibitions.

V. STATUS OF CURRENT OCC CASES – THE ‘KEANE’ REPORT

By the end of the 2015 first quarter, staff had completed intake on all its 2014 cases and had closed 71% of them, leaving 29% of the 2014 cases pending. At the end of the 2014 first quarter, staff had also completed intake on all its 2013 cases, and had closed 75% of them, leaving 25% of the 2013 cases pending.

VI. LEGAL UNIT

Four attorneys staff the OCC's Legal Unit under the supervision of Executive Director Joyce Hicks. Attorneys Ines Vargas Fraenkel and R. Manuel Fortes are the OCC's two trial attorneys but they also conduct sustainability reviews and review sustained reports for form and legality, prepare legal opinions and manage records requests including subpoenas, Pitchess motions and Sunshine Ordinance and Public Records Act requests. Attorney Donna Salazar staffs the OCC's mediation and outreach programs and her work is outlined in sections VII and VIII of this report. Attorney Samara Marion conducts the OCC's policy work and also conducts sustainability reviews and reviews sustained reports for form and legality. Her policy work is outlined in section IX.

The OCC's trial attorneys prosecute police misconduct cases in matters investigated and determined by the OCC to be misconduct or failure to perform a required action. They present cases to the Police Chief when officers object to proposed discipline of up to ten days suspension. They present cases before the Police Commission when the proposed discipline is greater than ten days suspension up through termination.

During this first quarter, the Legal Unit presented one case on appeal by an officer at the Chief's Hearing level, which had sustained allegations against an officer for violating Department General Order 6.09 for instead of arresting the perpetrator, arresting without cause, the complainant, the victim of domestic violence.

As part of their duties, the Legal Unit's two trial attorneys also review and edit sustained reports after a matter has been investigated and one or more allegations are deemed sustainable. During the first quarter, the Legal Unit reviewed, revised, and submitted four sustained reports, each of which involved one or more sustained allegations against one or more officers.

VII. MEDIATION

During the first quarter of 2015, the OCC mediated twelve cases compared to seventeen cases in 2014.

In March of 2015, Donna Salazar, the Mediation and Outreach Coordinator, hosted a group of volunteer mediators on a trip to Alcatraz to visit the Ai Wei Wei Exhibit. Ai Wei Wei is an internationally renowned artist and advocate for human rights. This was an excellent opportunity to show our appreciation to the mediators who dedicate their time and talents to making our program so successful. Sixty mediators and members of the OCC staff made the trip.

During this quarter, Ms. Salazar also met with representatives from the San Mateo Peninsula Conflict Resolution Program and the Contra Costa County Center for Human Development regarding the possibility of initiating a police/citizen mediation program in those jurisdictions. Ms. Salazar was consulted regarding a proposed Request for Proposals for grants to be offered by the National Association for Community Mediation (NAFCAM) and Judicial Arbitration and Mediation Services (JAMS).

Ms. Salazar offered a presentation about the OCC Mediation Program and coached a role play for a mediation class at the University of California Berkeley.

The Mediation Program continues to provide a forum for officers and civilians to have a frank discussion regarding the complaint, as well as serves as an educational experience for all participants.

VIII. OUTREACH

During the first quarter of 2015, the OCC was engaged in the following outreach activities:

In January, Director Hicks, who sits on the Board of Directors of the National Association of Civilian Oversight of Law Enforcement (NACOLE), attended a mid-winter meeting to finalize scheduling for the 2015 Annual Training Conference to be held at the Mission Inn in Riverside, California from October 4 through October 8, 2015.

In February, Director Hicks was a panelist speaking on civilian oversight and police liability at a municipal law symposium sponsored by Chapman University and the League of California Cities.

During the first quarter, Director Hicks attended Police Commission meetings and gave regular updates regarding the work of the OCC. In addition, she gave a detailed presentation on the functions of the OCC at a community meeting in the Park District in March.

In January, OCC Attorney Manuel Fortes gave a presentation at a Brothers for Change function honoring Dr. Martin Luther King Jr. Mr. Fortes also participated in a panel discussion at the University of San Francisco on improving police and community relations.

In February, the San Francisco Children of Incarcerated Parents Partnership's newsletter highlighted the OCC's and OCC attorney Samara Marion's collaborative

role in producing SFPD's officer training video on Department General Order 7.04, procedures for safeguarding children at the time of a parent's arrest.

In March, Attorney Ines Frankel and Deputy Director Erick Baltazar gave a presentation at the San Francisco General Hospital to resident physicians about the functions of the OCC.

The Deputy Director along with Senior Investigator Edward McMahon for the first group, Acting Senior Investigator Sherry Fletcher for the second group and Acting Senior Investigator Steve Ball for the third group, offered presentations to three groups of police recruits at the Police Academy in February and March.

During this quarter, Investigator Kacy Green staffed an informational table at an Operation Homeless Connect event and Investigator Sara Maunder and Mediation Coordinator Donna Salazar staffed an informational table at the Family Summer Resource Fair hosted by the City's Department of Children, Youth and Families.

IX. POLICY ANALYSIS

Policy work is an essential aspect of the Office of Citizen Complaint's mission. The San Francisco City Charter requires the OCC to present quarterly recommendations concerning SFPD's policies or practices that enhance police-community relations while ensuring effective police services. Attorney and policy analyst Samara Marion leads the OCC's policy work. During the first quarter 2015, the OCC continued its policy work on language access and police protocols for children of arrested parents. The OCC also made recommendations to establish written procedures and training regarding officer-initiated incapacity proceedings against a driver.

On January 9, 2015, in partnership with SFPD and San Francisco Children of Incarcerated Parents Partnership, the OCC presented to the Police Commission the officer training video for Department General Order 7.04. This training video explains police procedures for ensuring the safety of children during and after their parent's arrest. The San Francisco Youth Commission awarded a commendation to the San Francisco Police Department, the Office of Citizen Complaints, Project WHAT and the San Francisco Children of Arrested Parents Partnership for the "successful completion of a collaboratively-developed quality training tool" that includes "the voices of youth who have been affected by their parent's incarceration, as well as examples of real scenarios that might be encountered by officers when making arrests of parents." (See San Francisco Youth Commission Resolution No.1415-RC-02.)

To comply with officers' documentation responsibilities under DGO 7.04, the OCC drafted suggested changes to SFPD's incident report so that officers would indicate whether an arrestee is responsible for a dependent child under 18 years old and

if so, provide the name and contact information of the person who assumed responsibility for the child.

Throughout the first quarter, the OCC continued its language access policy work. The OCC meets monthly with domestic violence and sexual assault service providers, language access advocates, city agencies, Police Commissioner Sonia Melara, and the Police Department, a practice the OCC initiated in 2012 to address on-going language access concerns. Projects during the first quarter included establishing a written procedure for the timely translation of statements from Limited English Proficient victims, witnesses and suspects, providing interpreter training and data collection on in-person interpreters as mandated under Department General Order 5.20, and increasing bilingual certification opportunities for SFPD officers and civilians.

X. CONCLUSION

Despite budget and staffing constraints the OCC remained committed to its mission to investigate civilian complaints of police misconduct or failure to perform a duty promptly, fairly, and impartially.

Respectfully submitted,

Joyce M. Hicks
