11 Section 1. The San Francisco Police Code is hereby amended by adding Sections  
12 12X.1 through 12X.9, to read as follows:

13 SEC. 12X.1. TITLE

14 This chapter shall be known as the Policy Making Marijuana Offenses the Lowest Law  
15 Enforcement Priority.

16 SEC. 12X.2. PURPOSE

17 The purpose of this chapter is to:

18 (a) Make investigation, citations, arrests, and property seizures from adults for marijuana  
19 offenses the City and County of San Francisco's lowest law enforcement priority;

20 (b) Establish a City and County policy supporting changes in state and federal laws that  
21 support a system of taxation and regulation for adult use of marijuana; and

22 (c) Transmit notification of the enactment of this chapter to state and federal elected  
23 officials who represent the City and County of San Francisco.

1           **SEC. 12X.3. FINDINGS**

2           (a) The federal government's war on drugs has failed. Otherwise law-abiding adults are  
3 being arrested and imprisoned for nonviolent marijuana offenses, which is clogging courts and jails in  
4 California. Each year California spends over \$150 million of taxpayer money enforcing marijuana  
5 laws. Decades of arresting millions of marijuana users have failed to control marijuana use or reduce  
6 its availability. Minorities are disproportionately impacted by marijuana laws, with African  
7 Americans five times more likely to be arrested for marijuana offenses.

8           (b) San Francisco should determine its marijuana policies locally, not hand them over to  
9 the federal Drug Enforcement Administration. Many recreational marijuana users are productive  
10 citizens who work and pay taxes. Current marijuana policies continue to needlessly harm medical  
11 marijuana patients. Law enforcement resources would be better spent fighting serious and violent  
12 crimes. Making adult marijuana offenses San Francisco's lowest law enforcement priority will reduce  
13 expenditures on law enforcement and punishment of these offenses.

14           (c) It is the hope of the citizens of San Francisco that the federal and California state  
15 governments will change the laws to tax and regulate marijuana, thus eliminating the problems and  
16 costs caused by marijuana so as to eliminate costs and problems of prohibition, and keep  
17 marijuana off the streets and away from children, and raising raise tax revenues for vital public  
18 services.

19           **SEC. 12X.4. DEFINITIONS**

20           For the purposes of this ordinance, the following words and phrases shall be defined as follows:

21           (a) "Adult" means an individual who is 18 years of age or older.

22           (b) "San Francisco law enforcement officer" means any peace officer employed by the City  
23 and County of San Francisco, and any other employee of the City and County who is authorized to  
24 engage in law enforcement activity. "San Francisco law enforcement officer" does not include the  
25 District Attorney or anyone acting on behalf of the District Attorney.

1           (c) "Lowest law enforcement priority" means that all law enforcement activities related to  
2 offenses other than marijuana offenses by adults shall be given a higher priority than law enforcement  
3 activities related to marijuana offenses by adults, except as provided below.

4           (d) "Marijuana" means all parts of the plant Cannabis, whether growing or not, the seeds  
5 thereof, the resin extracted from any part of the plant, and every compound, manufacture, salt,  
6 derivative, mixture, or preparation of the plant, its seeds, or its resin.

7           **SEC. 12X.5. LOWEST LAW ENFORCEMENT PRIORITY**

8           (a) San Francisco law enforcement officers shall make law enforcement activity relating to  
9 marijuana offenses by adults their lowest law enforcement priority. Law enforcement activities include,

14           (3) distribution or sale of marijuana on public property (including public streets,  
15 sidewalks, parks, buildings or other public property) or within view of any person on public  
16 property, provided that the lowest law enforcement shall apply to distribution or sale of

23           (c) The City and County of San Francisco urges the District Attorney to adopt a policy  
24 making prosecution of adults for marijuana offenses, as described herein, the lowest prosecutorial  
25 priority.

1           (d) This lowest law enforcement priority policy shall apply to cooperating with federal  
2 agents to arrest, cite, investigate, prosecute, or seize property from adults for marijuana offenses  
3 included in the lowest law enforcement priority policy, where those marijuana offenses do not occur in  
4 conjunction with other criminal activity.

5           (e) San Francisco law enforcement officers and other city and county employees shall not  
6 accept or renew formal deputization or commissioning by a federal law enforcement agency if such
