WORKPLACE GIVING

WHY GIVE?

Simple. Your gift makes your community and your world a better place. Your gift is needed now more than ever. Thank you for participating and thank you for your generous gift.

WHY GIVE THROUGH YOUR WORKPLACE CAMPAIGN?

Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

WHY GIVE THROUGH PAYROLL DEDUCTION?

This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. It's easy for the donor and easy for the charity. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income to the charities throughout the year.

WHY DONATE THROUGH A FEDERATION?

Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

WHY ARE THERE ADMINISTRATIVE FEES?

All charities listing with a federation are in agreement with these fees because they are represented in your workplace campaign. Your campaign effectively allows federations to garner donations charities would not be able to receive otherwise. Federations are non-profit organizations as well and rely on these fees to continue providing workplace giving donation opportunities to charities.

LOCAL INDEPENDENT CHARITIES OF AMERICA

Charity Code: L2000

Local Independent Charities of America

Local Independent Charities (LIC) represents local charities finding solutions to our community's problems and answering the needs of our diversified area. LIC charities do it all: protect children and strengthen families; feed the hungry; enable the poor, homeless and disabled gain independence and security; find relief for the elderly and the sick; and protect and defend animals. LIC member organizations service, educate, and empower citizens in need within the local community - your neighbors.

LIC was founded on the principles of contributor choice, member inclusiveness and low overhead costs. LIC diligently certifies that it and each of its member organizations meet all eligibility criteria of workplace giving campaigns. We encourage each contributor to find the charities they most want to support and designate directly to those organizations through the workplace campaign. However, if you are unable to choose, your contribution made specifically to LIC is shared and divided among our members.

Your support helps our wonderful and varied member organizations continue on their mission to provide vital and valuable services in your home community.

Thank you for your generosity.

ASIAN PACIFIC FUND

(415) 395-9985

Charity Code: A800

A Community Foundation

The Asian Pacific Fund is a non-profit foundation dedicated to strengthening the Asian and Pacific Islander (API) community in the Bay Area. Since 1993, we have been committed to increasing philanthropy and supporting organizations that provide vital services to those who need it the most. We also give visibility to the pressing needs of our community, many of which are hidden from view. For example:

- Four of the five ethnic groups with the highest rates of poverty in the Bay Area are API.
- Asians now make up the largest ethnic group living in poverty in San Francisco.
- APIs have the highest percentage of households living in subsidized housing in San Francisco (33 percent) and Santa Clara (39 percent).

Asian and Pacific Islanders make up over 26 percent of the Bay Area population. Many are newer immigrants and refugees who face poverty, isolation, limited access to healthcare and other challenges. Despite the high level of need that exists within our community, non-profits who serve the API community in the Bay Area receive less than 1 percent of foundation funding.

By supporting the Asian Pacific Fund, or one of our affiliates, you will be making an investment to help address these needs and beyond for our most vulnerable Asian and Pacific Islander community members.

UNITED WAY OF THE BAY AREA

(415) 808-4300

Together for the Bay Area, together for good.
We all want the same things in life: safety and security, to raise healthy families, to pursue good lives and meaningful careers—and to pass those opportunities on to future generations.

But 1 in 4 Bay Area residents struggle to access basic needs, education, job training and the resources they need just to get by. Working together for good, we are doing something about it.

Our **SparkPoint** program provides free one-on-one financial coaching on issues from repairing credit to job training to business skills and a personalized financial plan—all in one location. Last year, 11 SparkPoint centers throughout the Bay Area helped 2,839 individuals to save money, manage their debt, and repair and build their credit.

211 operates 24 hours a day, in more than 150 languages. Last year, the helpline answered 183,474 calls for critical needs like emergency housing, food pantry access and utility payment assistance as well as help with elder care, child care and more.

Our **Earn It! Keep It! Save It!** program provides free tax preparation for low- and moderate-income households and puts millions of dollars back into the local economy. In 2015, more than 3,000 EKS volunteers helped return more than \$80 million in tax refunds back into the pockets of 74,452 residents.

Innovative jobs programs like **MatchBridge** help young adults identify their interests, stay engaged in school and find a path to good jobs and good pay. Last year, 7,678 young people were connected with jobs and internships through our partnership with the Mayor's office on San Francisco Youth Jobs+.

Visit uwba.org to learn more about our mission to end the cycle of poverty in the Bay Area.
