a. Team Building Activity

What are you most excited about for this summer?

Commissioner Colin: excited to graduate, going to Europe, and excited to work and get money for college

Commissioner Listana: excited to work and make money, acknowledged that they will be busy, wants to spend time with friends and family

Commissioner Shaw: happy to graduate, leaving for college early which is exciting, going to South Africa, lots of trips.

Clerk: summer weather, traveling, and some hiking in national parks!

b. TAY Services

YC Staff went over the importance of advocating for TAY services and ways the YC can continue to advocate for funding and additional services to TAY.

YC Staff also mentioned that the former Director of the Youth Commission can come to the next TJ meeting and speak about former TAY issues the Youth Commission has advocated.

TJ Committee spoke about different initiatives within TAY to advocate and support.

c. Bank Brown

Commissioner Listana gave insight on what was spoken about in the LGBTQ+ Task Force and about the task force writing a statement of the murder of Banko Brown.

Commissioner Colin and Commissioner Raven requested to help on the statement and also include the importance of supporting TAY services. Commissioner Listana agreed and would share documents soon to the both of them.

d. Youth Surveillance

YC Staff gave an update on Youth Surveillance and how Departments are working on internal policies.

TJ committee members are very disappointed with the internal policies and hope there's no internal policy coming from DCYF to monitor youth social media accounts.

e. TJ Related News

Commissioner Colin gave some announcements on TJ related news.

7. Announcements (this includes Community Events)

YC Staff reminded TJ committee members that they have 2 to 3 meetings left, so they need to strategically think about resolutions and letters they want to introduce to the committee.

9. Adjournment

There is no further business. Meeting is adjourned at 5:50 PM.
