b. Discussion and Debrief of November 6, 2023 full Youth Commission Meeting

Vice Chair Listana said the meeting went fine, and everyone appreciated the Bay Area Climate Summit youth organizers being there. Chair Barker Plummer said that he hopes that the Youth Commission can do more of that work in the future to support young people in a lot of other spaces. Officer Fong asked to clarify how many organizations they should recognize at one meeting, to which the commissioners said that they should probably focus on one organization or group per meeting, since that would be the most respectful to each group.

5. Public Comment on matters not on Today's Agenda (2 minutes per comment)

No public comment.

6. Committee Business (discussion and action item)

a. YLI CAM Support

Chair Barker Plummer said that the information he has is that this effort is to implement laws that will phase out the legality of tobacco products by birth year. Director Garcia said they reached out for the Youth Commission's support, and Chair Barker Plummer said that the best way to move forward to support is to write a resolution to recommend that policy. Commissioners discussed minor details about how to move forward, especially on the clarification of the proposed legislation and how it would be effective. Officer Wu said that there is a concern that an effect of this legislation is that there could be a black market that would open up if they make tobacco illegal, and Officer Adair added that there are concerns about whether banning tobacco would be effective, since that hasn't necessarily worked for other types of drugs. Officer Lonné Amir said that they should at least have the conversation or presentation on the issue, to which Vice Chair Listana added that would allow them to hear them out while also not specifically taking action at this time. Officer Fong said that there's another tobacco policy he wanted to bring up that was related to smoking tobacco in apartments, but that was another organization that they should consider inviting.

b. Review Commission Attendance

Director Garcia said that everyone has been very communicative, but asked if everyone is available for the second December full Commission meeting. Staff will assist in finding availability for committee meeting dates in January 2024 since the first and third Mondays are both legal holidays that the YC cannot meet on. Officers will be reaching out to commissioners individually, and staff will ask at the November 20th full Commission meeting for everyone's availability for the December 22nd full Commission meeting.

c. Updates on Commission Outreach and Communications

- i. Presenters: Téa Lonné Amir & Kelly Wu, Communication and Outreach Officers

Officer Lonné Amir said that her meeting with the youth mental health and tech meeting was canceled again, but she'll be meeting with them some time during the next weekend. She added that they've finally received information to do the Commissioners posts on Instagram. She encouraged everyone to turn out to the Youth Commission's Monday Fundays since there was a very low turnout at the first one earlier this month. Officer Wu is currently editing the video and is inviting anyone to help do the interviews at the following full Commission meetings.

Vice Chair Listana asked if they're planning on doing IG takeovers this year, to which they both said that they're planning on it, but likely will be later in the term.

d. Updates on Recent Youth-Related Board of Supervisors / Mayor Legislation

- i. Presenters: Allister Adair & Jason Fong, Legislative Affairs Officers

Officer Fong brought updates that they're hoping to refer some BOS legislation regarding the resolution regarding the emergency plan needed to hire more emergency mental health workers. Officer Adair said that they're watching two pieces of legislation to see if they want to refer it at a later time.

e. Bylaws - Final Committee Review

Chair Barker Plummer brought up the updates and further amendments that were recommended by Commissioner Ye from the first reading at the full Youth Commission meeting on November 1st. There were no further amendments.
