Steve Adami informed the committee that the Reentry Division at Adult Probation has 48 Reentry Programs in San Francisco. He further explained that all of Adult Probation's Programs are engrained in the community, and the Reentry Division works closely with the community to address services for those involved in the Justice System. Since shelter in place began, all of the services at the CASC have transitioned to a virtual platform. Tablets have also been placed in all of our Housing Programs to keep our clients connected to services and case management.

Destiny Pletsch, a member of the Reentry Division informed the committee about new housing programs. Adult Probation launched 4 new housing programs recently. The CCP/CW Program which has 7 rooms, 14 beds at the CW Hotel launched in April. Additionally, 23 co-located beds at the CW Hotel for Adult Probation use was established with Recovery Survival Network. In May, the Department established a 51 Unit Emergency Stabilization Housing Program for clients of the San Francisco Pre Trail Diversion Project. Last but not least, a Rental Subsidy Program called Step Up to Freedom was implemented in partnership with Episcopal Community Services and Tipping Point. Step Up to Freedom serves Justice involved individuals on Parole or PRCS.

Tara explained that the next meeting for the Criminal Justice Racial Equity Work Group is scheduled for September 24th at 10am. Sheriff Miyamoto discussed the importance of leading these projects with race and equity. She explained that during Covid, they worked closely with Jail and Pre Trial Diversion to use these beds for individuals exiting custody. There have been improvements in maximizing beds and having a higher occupancy rate. There are still a number of individuals who leave the program while in detox. STARR Services provide 5 social detox beds and 70 Case Management slots for low threshold case management at Felton. They have hired a Behavioral Health Clinician to assess individuals in jail for detox and case management services. The LEAD grant ends on September 30<sup>th</sup>. The program was successful for engaging individuals and less successful in diverting individuals from jail.
