DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals).

A modification to an existing unmanned AT&T telecommunication facility consisting of removing one existing RBS 2106 cabinet and replacing it with new new Purcell cabinets stacked within an existing lease area. Also removing nine antennas and replacing them with nine new antennas and relocating all antennas.

IS THIS PART OF A MULTI-SITE PROJECT, BOND OR CAPITAL IMPROVEMENT PROGRAM?

If yes, which program? No

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting.

FEES

2012/2013 Cost Estimates
For a Phase 1, Phase 2, or Phase 3 meeting: \$2,316
All other meeting types: no fee

Journal Entry should be paid to:
Index code: 28CIVDESIGN_PAR516
Write checks to: San Francisco Arts Commission

DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals).

Add on to existing facade to hide antennas. Also add a new generator on the top of the garage
