PROPOSAL FOR EXHIBITION OF SCULPTURE BY AITOR URDANGARIN

ARTIST: AITOR URDANGARIN FROM VITTORIA (BILBAO), SPAIN

ARTWORKS: 8 Stainless Steel Sculptures

PROPOSAL: Exhibition of sculpture in median Plaza in Civic Center Plaza:
2 sculptures placed at either end of the central median on the dark grey concrete areas along Polk St. and Larkin St. opposite City Hall
4 sculptures along the walkway along the central paths connecting the two areas (see attached plan).

ALTERNATE LOCATION: Sidewalk location is to place sculptures in a line parallel to Van Ness Avenue in front of the Opera House & Davies Symphony Hall.

This is the first stop on a touring exhibition that is proposed to travel to Los Angeles and Chicago destinations

ARTIST WEBSITE: www.Urdangarin.net

DRUATION OF EXHIBITION: 3 -6 months beginning August (or September) 2014

SIZE of SCULPTURE: See attached sheet for sizes of the individual sculptures

WEIGHT OF SCULPTURE: Sculptures have a hollow steel base that the vertical elements are securely attached to for installation.

The bases are filled with sand. Each has a weight of approximately 1500 pounds.

SIGNAGE: TBD

COSTS: All costs of shipping, installation, insurance will be borne by the artist and a corporate sponsor, Axel, from Spain. See the attached letter.

OPENING RECEPTION & CATALOG OF THE EXHIBITION: Costs to be borne by sponsor.

The Project is administered by US Agent, Gwenda Joyce, Art Ambassador.
