

FOR LUGI

I am grateful for the love and support of my family and friends. I am grateful for the memories we have made and the love we have shared. I am grateful for the life I have lived and the people who have made it so meaningful. I am grateful for the time I have spent with you and the joy we have found in each other's company. I am grateful for the love that has sustained me through all the challenges of life. I am grateful for the people who have stood by me and the love that has kept me going.
