Plaque Review

PROJECT DELIVERY METHOD

Design, Bid Build (traditional)

Fast Track

Design-Build

Bridging

Other

Construction Commencement: August 1, 2016

Construction Completion: August 1, 2018

Structure size (SQ FT): 9685 sf (total)

BUDGET

Total Construction Cost: \$15,000,000

Art Enrichment Budget: \$133,000

Please attach the official line item construction budget for the project and provide an explanation. If the Art Enrichment budget is less than 2% of the total construction cost including above and below ground construction unless exempt per the Art Enrichment Ordinance.

DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

The Watershed center is deeply rooted in its site, with the building and landscape developing as a journey through the transect of the watershed. Circulation and movement through the center is analogous to the flow of the creek through the landscape, cutting through bedrock canyons, creating inhabited spaces in undercuts, riffles, and pools. The building seeks to b

ADDITIONAL INFORMATION

Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?

FEES

Effective July 1, 2014: \$10,220

Projects will now be charged on a per project basis. The Base Fee per project will be \$10,220, however, complex projects or projects involving more than one building may be charged a higher fee.
