Ann Jastrab

- Independent Curator
- Former gallery director for RayKo photo center
- Has curated some of our most popular City Hall exhibitions including:
 - McNair Evans, In Search of Great Men
 - The Valley/El Valle: Photo-essays from California's Heartland

In this exhibition, Jastrab is interested in subverting the inherent masculinity of Manifest Destiny by presenting the work of 10 diverse women photographers looking West.

Manifest Destiny: the 19th-century doctrine or belief that the expansion of the US throughout the American continents was both justified and inevitable.
