grant guidelines | FY17 grant cycle

For projects taking place:

July 1, 2017 – June 30, 2018[^]

[^] For projects that precede this grant window, an adjustment can be made to begin no earlier than May 11, 2017 if recommended for funding

APPLICATION DEADLINE: November 9, 2016

about OPG

The Organization Project Grants (OPG) program supports small and mid-sized arts organizations in the production and presentation of artistic works, in all disciplines, accessible to the general public in San Francisco. OPG supports—in whole or in part—specific arts projects that have been determined to be of sufficient quality and benefit or interest to the community at large or to specific segments of the community. OPG grants may be used to fund art exhibitions and installations, film and video screenings, music and dance concerts, theater performances, on-line arts projects, literary readings and publications, workshops in various art forms, local arts festivals, and other activities in a similar vein. **NEW: All art forms will be considered, however this grant does not fund arts education classes.** For any questions about OPG, contact Program Officer Robynn Takayama 415-252-2239.

alignment with sfac goals

Priority funding goes to arts organizations that foster artistic expression deeply rooted in and reflective of historically underserved communities (SF ADMIN. CODE CHAPTER 68: CULTURAL EQUITY ENDOWMENT FUND. Sec. 68.6. PROJECT GRANTS).

Organizations must align with one or more of SFAC's goals for equitable grantmaking:

- **Build capacity, resilience and economic viability** of individual artists from historically underserved communities.
- **Provide a space to access art and creativity** for historically underserved communities.
- **Promote forms of expression and cultural traditions** that are often marginalized.
- **Strengthen communities** with cross-cultural collaboration.

- **Explore intersections** of race, gender, sexuality, ability, socioeconomic status, immigration status, religion, etc.

eligible request amount

Organization Project Grants requests may be up to \$20,000. Because funds are limited, grant awards may be less than 100 percent of the request, but no less than 75 percent of a request will be rewarded.

categories

We review our grants in six panel categories: Visual Art, Literary Art, Media Art, Music, Dance, and Theater. We will have panelists with expertise in these genres and you may select which grant panel you would like your proposal reviewed in. If your proposal involves multiple genres, you should select the panel that you think best reflects the primary artistic content.

native american arts & cultural traditions (NAACT-OPG)

Native American Arts & Cultural Traditions (NAACT) category is aligned with Cultural Equity Grants. Applicants are to apply through the applicable grant category, and will be prompted to choose if they would like to apply through NAACT. By choosing this prompt, these applications will be reviewed by a panel of community members that represent the Native American community in San Francisco Bay Area.

Applicants to NAACT should clearly substantiate that they are connected to the Native American community within their narrative responses. Please follow all of the instructions for OPG and check the box at the end of the Applicant Information Page to confirm that you would like to be considered under the NAACT-OPG program.

organization project grants (OPG)

eligibility | restrictions | requirements

applicant eligibility

- **The organization must be tax-exempt under Internal Revenue Code Section 501(c)(3) or have a fiscal sponsor that is so qualified.**
- **The organization (and its fiscal sponsor, if applicable) must be based in San Francisco.**
- **The organization's mission statement must be clearly focused on the development, production, and/or presentation of arts activities in San Francisco.**
- **The applicant organization cannot be part of another City agency or department.**
- **The organization must demonstrate a continuing and stable presence in the community** and been in existence for at least two years with documentation of creating and presenting original works to the public in San Francisco for at least four events that span from October 2014 to the grant deadline.
- **NEW: The organization's three-year average annual operating budget must not exceed \$1.5 million in income** (determined by the line: Revenue Less In-Kind minus Non-operating Revenue in the SFAC DataArts Report).
- **Applicants must not be in default on any grants or loans from:** (1) SFAC, (2) other City departments (including, without limitation, Department of Children, Youth, and their Families; Office of Economic and Workforce Development; Mayor's Office of Housing and Community Development; and Grants For The Arts), (3) Northern California Grantmakers Arts Loan Fund; (4) Northern California Community Loan Fund, (5) Community Arts Stabilization Trust; or (6) the Center for Cultural Innovation. This default clause was expanded due to the fact that SFAC has a fiduciary relationship with these particular organizations, through either shared City resources or other pooled philanthropic funds.

- **The organization must be willing and able to meet the requirements associated with receiving funds from the City and County of San Francisco.** In order to receive a grant from the San Francisco Arts Commission, you must become a registered, compliant vendor and meet the City of San Francisco's insurance and business tax requirements. For more information about vendor requirements, visit: sfgov.org/oca/qualify-do-business. Please note if you are not already a City vendor, you will only be required to register if you are awarded a grant. Insurance and business tax requirements will be explained and made available upon approval of grant awards.
- **For NAACT-OPG:** The organization must have a strong track record and demonstrated leadership that substantiates that they are connected to a Native American* community and engaged in significant programming that is rooted in Native American arts and cultural traditions.

**Per the Human Rights Commission, Native American is defined as people of indigenous descent from North, Central, and South American heritage as well as Native Hawaiians, Samoans, Marshall Islanders, and the indigenous people of Guam (whether enrolled, federally or nationally recognized or not). All groups indicated are encouraged to apply, but due to limited funds, priority will go to artists that are affiliated and connected to groups falling under the jurisdiction of the United States.*

- **Applicants must receive an average score of 75 percent or above by the review panel to be considered for funding.** Funding is not guaranteed for a score of 75 percent or above, and is determined by the availability of funds.

restrictions

- **A proposed project cannot receive simultaneous funds from multiple SFAC funding sources;** this includes collaborators applying to work on different components of the same project and applying separately.
- **Applicants cannot submit more than one application for the Organization Project Grant category.** An applicant cannot apply to both an OPG and a NAACT- OPG. This does not apply to fiscal sponsors who are submitting applications on behalf of different fiscally sponsored projects.
- **Applicants cannot receive funding for two consecutive grant cycles.**
- **Organizations can request no more than 50 percent of its three-year average annual operating budget** (determined by Revenue Less In-Kind minus Non-operating Revenue in the SFAC Data Arts Report).

- Any previously-awarded OPG grants must be completed and closed out before applying for any additional grants in the OPG category.
- The awarding of funds does not imply that the Arts Commission or any other City agency will produce, exhibit, or present the art created. It is the responsibility of the applicant to secure a venue and any required permits for public presentations or workshops.
- **NEW: OPG does not fund arts education classes.**
- **Grant funds may not pay for:**
 1. Projects that will not culminate in a public art presentation in San Francisco or do not otherwise include significant public participation.
 2. Projects aimed primarily at organizational development (see SFAC's Cultural Equity Initiatives grants).
 3. Deficit reduction.
 4. Start-up costs/seed money for new organizations or businesses.
 5. Food and beverage expenses.

project requirements

- **Public Presentation Requirement:** Projects must be developed and presented in San Francisco and culminate in a local public presentation or a meaningful, accessible engagement of the public within the grant period. They may be targeted at specific audiences and/or charge a fee, but they cannot be limited to “closed” audiences. Projects that involve radio or television broadcasting, as well as internet-distributed projects, should have a clear San Francisco orientation with particular articulation of, and attention to, the intended audience. The same is true of publication-based projects and others that, by their nature, do not involve presence in a physical space. Applicants must include confirmation or a tentative commitment from a publicly accessible San Francisco venue for the project. Venues can be formal or informal and either the venue or the applicant must secure liability insurance.
- **City Permits and Permissions:** If the proposal includes components that require City permits or approval such as publicly installed art, street closures, sound amplification in public space, or murals, the artist will be solely responsible for securing the necessary permits, permissions, and approvals. This planning should be reflected in your project timeline.

Please note that any art installed with these grant funds on property owned by the City and County of San Francisco or on private property, must be reviewed

and approved by the San Francisco Arts Commission starting with the Visual Arts Committee of the Commission. This applies to murals, public sculpture, and similar projects. It will be the responsibility of the grantee to build this process into their grant plan and timeline. Please contact the following Public Art Program staff if you have questions: Jenn Crane at jennifer.crane@sfgov.org for murals; Zoe Taleporos at zoe.taleporos@sfgov.org for sculpture or any other type of public art.

application review & approval process

application review

OPG applications are evaluated in an open panel review process. It is important to select the appropriate category for your proposed project. SFAC staff process applications and send them to panelists for review in advance of meeting. Prior to the review panel, you will receive an email containing information about the review schedule and instructions to attend the meeting. Please be sure that you include a working email address in your application materials. Take steps to ensure that emails from SFAC are not lost in your spam filter. Panelists will convene to discuss applications and make funding recommendations.

grants panelists

Grant review panelists reflect the diversity of San Francisco, have broad knowledge about the particular artistic discipline and field issues, and have experience that aligns with the purpose of the specific grant category.

attend panel review

OPG panel meetings are open to the public. A time schedule of each panel meeting is emailed to applicants in advance. Please be sure that you include a working email address in your application materials. Take steps to ensure that emails from SFAC are not lost in your spam filter. Applicants are welcome to observe the meetings, but may not engage in discussion with the panelists or SFAC staff during the panel. Many applicants find it insightful to listen to the discussions of applications because the panelists are seasoned professionals.

funding recommendations

Based on an evaluation of the proposals, panels may make recommendations for funding and grant amounts. Grant amounts are either the full amount of the grant sought or a substantial portion of the requested grant—and never less than 75 percent.

panel notes

SFAC staff takes notes on panel comments during deliberations. You may contact alexander.tan@sfgov.org to obtain panel comments.

funding approval

Panel recommendations are subject to the approval of the Arts Commission. Typically, recommendations are first reviewed by the Community Arts, Education & Grants Committee, then by the full Commission. Meetings of the Commission are public. The agenda will be available on the Arts Commission website at sfartscommission.org 72 hours in advance of the meeting.

alignment with sfac goals

MISSION STATEMENT: The organization's mission statement must be clearly focused on the development, production, and/or presentation of arts activities in San Francisco.

SFAC'S GOALS FOR EQUITABLE GRANTMAKING: Select one or more of SFAC's goals for equitable grantmaking that best align with your organization. SFAC seeks to support organizations that:

GOAL 1: Build capacity, resilience and economic viability of individual artists from historically underserved communities.

GOAL 2: Provide a space to access art and creativity for historically underserved communities.

GOAL 3: Promote forms of expression and cultural traditions that are often marginalized.

GOAL 4: Strengthen communities with cross-cultural collaboration.

GOAL 5: Explore intersections of race, gender, sexuality, ability, socioeconomic status, immigration status, religion, etc.

Please select one or more of SFAC's goals for equitable grantmaking that best align with your organization. Note that you do not need to align with every goal. In your responses to the questions, depth is more important than breadth.

Using both the Cultural Equity Endowment Legislation and the Grantmakers in the Arts "Racial Equity: Statement of Purpose," historically underserved communities include: African, Latino(a), Asian, Arab, Native American, Pacific Islander, LGBTQ, People with Disabilities, and Women."

This section requires that you answer the following questions:

- Who does your organization serve and why?
- Describe how your organization aligns with the selected goal(s).
- How does your organization meet the needs of the communities you serve (including artists and audience)?
- Describe the leadership team and staff's relevant experience and qualifications working in the communities you serve.

As outlined by the Cultural Equity Endowment Legislation, the majority of funding is to go to organizations that represent historically underserved communities. Based upon the strength of the application and the role that an organization plays within the community, the panel may make funding recommendations to organizations that are not deeply rooted and reflective of historically underserved communities.

(3500 CHARACTERS MAX.): Describe your proposed project in detail ensuring that project goals, vision, and process are clearly defined. Please note that the OPG program supports small and mid-sized arts organizations in the production and presentation of artistic works, in all disciplines, accessible to the general public in San Francisco. OPG supports in whole or in part specific arts projects that have been determined to be of sufficient quality and benefit or interest to the community at large or to specific segments of the community. OPG grants may be used to fund art exhibitions and installations, film and video screenings, music and dance concerts, theater performances, online arts projects, literary readings and publications, workshops in various art forms, local arts festivals, and other activities in a similar vein. SFAC only funds projects that culminate in a public presentation of art in San Francisco. This grant does not fund projects aimed primarily at organizational development (see SFAC Cultural Equity Initiatives grants).

DESCRIBE THE TARGET AUDIENCE(S) AND/OR COMMUNITIES IN YOUR PUBLIC PRESENTATION PLAN AND YOUR RELATIONSHIP TO THEM. (500 CHARACTERS MAX): The more specific you can be about your intended audience, the better.

DESCRIBE YOUR IN-DEPTH OUTREACH PLAN TO THE IDENTIFIED TARGET AUDIENCE(S) AND/OR COMMUNITIES. (1300 CHARACTERS MAX.): Be specific and name organizations you plan to work with. If you hope to cultivate to a new audience, instill confidence in the panel with a strategy to reach this community.

(1700 CHARACTERS MAX.): Describe your desired outcomes and how you will measure the impact of the project on the organization and target audience and/or community. Clearly articulated outcomes will help panelists understand the impact of the proposed project and how you will measure success. Make sure that the evaluation includes measurements of the goals you expressed in your narrative and include consideration of how this project will impact your organization.

GRANT PLAN TEMPLATE: The Grant Plan outlines the primary activities that will take place during the grant window and the targeted outputs that the applicant hopes to achieve.

Activity Column: Applicants should break down the proposed project into no more than six primary activities. Each of these activities should be described succinctly in one sentence and clearly outline the steps needed to ensure a successful outcome.

Outputs Column: The Outputs Column represents the targeted quantitative measure for the corresponding activity. For example, this may be the number of artists that will be paid, the number of workshops that will be held, the number of rehearsals held, or the number of performances given.

Completed By Column: Each activity listed should have a targeted completion date that falls within the grant window.

It does not enhance your application to restate copy from your grant narrative in the letter. (3 letters max.)

ATTACH A LIST OF YOUR ORGANIZATION'S ARTS ACTIVITIES FOR THREE YEARS: FY14-15, FY15-16, and the current year ending June 30, 2017. Please note, to be eligible for this grant, you must have held four publically accessible events that span from October 2014 to the grant deadline.
