To Whom It May Concern,

A few months ago a proposal was brought before our membership, People of Parkside Sunset (POPS), to have the billboard on the southwest corner of 27th Ave at Taraval removed and in its stead have a mural. This mural would be done by a locally known artist, Jeff Canham, who would create a mural that would reflect the culture and imagery of our community.

Our membership voted in favor to support this project.

Thank you,

Albert Chow
President, POPS
