PROJECT DELIVERY METHOD

Design, Bid Build (traditional)

Fast Track

Design-Build

Bridging

Other

Construction Commencement: _____

Construction Completion: _____

Structure size (SQ FT): _____

BUDGET

Total Construction Cost: \$400,000

Art Enrichment Budget: _____

Please attach the official line item construction budget for the project and provide an explanation. If the Art Enrichment budget is less than 2% of the total construction cost including above and below ground construction unless exempt per the Art Enrichment Ordinance.

DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

Installation of like design extensions to the existing rooftop mechanical structures on the South side of the building. These are gray stucco textured rooms housing elevator equipment, the extensions proposed match the color and texture. And addition and emulation of the existing mechanical structures on the North side of the building where none currently exist.

ADDITIONAL INFORMATION

Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?

FEES

Effective July 1, 2014: \$10,220

Projects will now be charged on a per project basis. The Base Fee per project will be \$10,220, however, complex projects or projects involving more than one building may be charged a higher fee.
