Artist Biography (Please provide a short biography about yourself and your craft)

I was born with a condition called arthrogryposis which caused me to have six surgeries in my early childhood, throughout recovery and therapy, art was my most valued and cherished medication which transpired into much of my life. I was born to draw but after studying with different ateliers and apprenticing with some of the best artist in the Bay Area, I picked up other mediums such as painting, inking and collaging. Working in traditional and digital methods, I float between abstract ink graphics and surrealistic/sci fi figure illustrations Imagine, a surrealist who believes in God"

1. Describe your work in detail. How do you make it?

I transpire to a very meditative state, often by cleaning or exercising before each session, then go pretty wild with ink and whatever random tools I can find. I have been working on this dutch paper that has been quite the adventure, or I will set up in a very traditional manner and do figure studies, automatic drawing or sketching in a very atelier manner

2 Where did you learn your craft?

I was born with the gift and met many teachers along my way

3 Did you take a class or learn on your own?

I studied with ateliers and under some very masterful craftsman and professors who studied in Italy as well as the New York school, thats where I get the duality of abstract expressionism with the very illustrative and process driven works.

Please provide up to five (5) images of the work, both in process and finalized.
