Artist Biography (Please provide a short biography about yourself and your craft)

Hi, I'm Jonesy. I utilize a variety of technics & mediums to create all types of finished pieces; be it a painting, an art sculpture, a hand made puppet or a poem I basically have a passion for art in all forms.

1. Describe your work in detail. How do you make it?

Depending on the type of artwork I'm creating... I use Acrylic (some oil) paints, Polymer Clay, different fabrics, paint pens & markers, some collage clippings, photographs I take, as well as digital art I create on my laptop.

2. Where did you learn your craft?

I've learned my crafts through trial and error & youtube videos mainly.

3. Did you take a class or learn on your own?

I've never taken a class, as I am self taught.

Please provide up to five (5) images of the work, both in process and finalized

4. Tell us why you make this work?

Creating all types of art has become a way of expressing myself.

5. What makes your work different from other artists and craftspeople making similar items?

- [ ] Someone once told me that my work was something they could actually "feel," as though I wore my heart on my sleeve through my work. To me, that was one of the most profound compliments I ever received. If my work can make people "feel" and relate to the world in all its glory (and mishaps), then maybe that's how my work differs from (some) other artists
