Hi Lucinda — about a year ago a girlfriend and I bought several pairs of earrings from you. We loved their original design and the excellent craftsmanship. We wear them all the time and get numerous compliments.

Your designs are unique, so I was very surprised on Saturday last week to see another vendor across from you selling almost the identical earrings. Are you not able to copyright your designs so someone cannot just steal them as this man obviously has done?

I hope you will be able to stop this blatant theft.

Let me know if I can be of help.

Susan Lowe
