Date: Friday, September 14, 2018 2:14:35 PM

Notes by Lucinda of people who came up to her at separate times to report or reported to her by phone, that Jeff had identical works of Jewelry to hers, for sale on his table at the Embarcadero Market.

They said "Jeff has your designs on his table" or "Jeff is selling your designs", to her. This occurred between Saturday the 2nd and Tuesday the 5th of June.
