Golden Gate Park 9th and Lincoln Gateway Improvements Concept Design - February 2020

SF Recreation and Parks Strategic Plan:

Strategy 1—Inspire Public Space:

Keep today's parks safe, clean, and fun; promote our parks' historic and cultural heritage; and build the great parks of tomorrow Objective 1.2: Strengthen the quality of existing Parks & Facilities Objective 1.3: Steward and promote good park behavior Objective 1.4: Preserve and celebrate historic and cultural resources

Strategy 4—Inspire Stewardship:

Protect and enhance San Francisco's precious natural resources through conservation, education, and sustainable land/facility management practices Objective 4.3: Increase eco-literacy of park users and park maintenance staff

Context

Golden Gate Park 9th and Lincoln Gateway Improvements

Project Goals

- Meet the Golden Gate Park Master Plan recommendations
- Increase pedestrian safety and provide an iconic welcome into the park
- Help orient visitors to the park with entry signs and improved wayfinding
- Strengthen the connection to the Inner Sunset neighborhood
- Reflect durable and sustainable design that will last for many years
- Gain the support of community and merchant groups

Golden Gate Park 9th and Lincoln Gateway Improvements
