Herz Playground 10.19.20

Herz Playground is comprised of a children's playground, sport courts, a baseball field, clubhouse, indoor pool and open space. It is situated at the south end of John McLaren Park, which is known for its natural areas and hiking trails. The concept for the Herz children's playground renovation is "ribbons of play, connecting neighbors to nature and each other." The central "ribbon" pathway links the playground experience to the existing Herz clubhouse, which offers an afterschool program and summer camp for neighborhood youth. Its organic nature and alignment reference the line created by adjacent Visitacion Avenue and provides a natural sense of connection to the land. It also sets a tone that is vibrant, active, playful and energetic, and peaceful at the same time. Colors and materials further enhance the sense of playfulness and connection to nature and the Herz Clubhouse mural, a treasured community asset.
