DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

The approach would be to create an appropriately scaled composition of street furniture using unadorned elements and authentic materials, executed in a simple and straightforward fashion. The street furniture elements would be minimalist in nature, with care given to proportion and details.

ADDITIONAL INFORMATION

Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?
