Dear Mx. Trickey,

My name is Jacquelyn Timmer.

I have known Jeff Potter for over thirty years. I worked for Jeff in the late eighties, selling jewelry. Jeff mentored me. He taught me so much. Never ever did I experience hostility or harassment in Jeff's presence.

Jeff is a loving father to a wonderful daughter Aly and two grandchildren he loves very much.

These allegations shock me to the core of my being. Jeff is a good man.

Sincerely,

Jacquelyn Timmer
