## **PLAQUE DESIGN INFORMATION**

The LEATHER & LGBTQ Cultural District commemorative plaques will be made out of bronze. Each plaque will be 18" by 18" and approximately 1/4" thick. The plaque was designed by Jon Stoa – the designer responsible for our logo design, and it will be cast by Artworks Foundry – the foundry responsible for the Rainbow Honor Walk plaques. It's fabrication will be similar in style to those plaques with the dark areas (logo and text) recessed and stained dark, and the light areas raised and sanded bright.

The plaques' text will read as follows:

<< LOGO >>
