DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

An adaptable linear industrial park facility in the heart of the corporation yard. The project, other buildings, and vehicular circulation of the yard are sited on river terraces above the Reservoir. The building draws formal elements from the neighboring structures, but is modified to meet modern workplace and environmental performance standards.

ADDITIONAL INFORMATION

☐ Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?
