Dear Mr. DeCaigny:

ArtCare would like to present a gift to the city of a life size bronze portrait bust depiction of Gavin C. Newsom, the 42nd Mayor of San Francisco. We hope for it to be displayed on the Mayor's balcony at San Francisco City Hall, near the Office of the Mayor, together with the three other portrait bust sculptures currently located there of other prominent Mayors in the history of the City.

Bruce Wolf, a highly regarded local artist who specializes in life-sized bronze sculpture and busts, will create the artwork. The statue will be mounted on a freestanding stone base (see attached drawing) in keeping with the bases and columns of the other portrait bust sculptures and display a bronze plaque and recognition statement. The artwork is valued at \$91,000, which includes fabrication, artist fee, base, bronze plaque, and a maintenance endowment. The artwork has been fully funded through private donations to ArtCare.

We are delighted to offer this opportunity to commemorate Gavin Newsom, the youngest Mayor of San Francisco, and his important legacy.

Sincerely,

Meg Spriggs
ArtCare, Board President
