Other

Construction Commencement: 2nd Quarter 2017

Construction Completion: 2nd Quarter 2019

Structure size (SQ FT): Elevated track structures, 2 new stations (15,000 sf total)

BUDGET

Total Construction Cost: \$87,000,000

Art Enrichment Budget: \$1,256,262

Please attach the official line item construction budget for the project and provide an explanation. If the Art Enrichment budget is less than 2% of the total construction cost including above and below ground construction unless exempt per the Art Enrichment Ordinance.

DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

Priorities: ease of use (minimum distractions), cleanliness (smooth durable finishes), brightness (lights, clerestories). Conservative roof structure profile necessary for construction over operating roadway and saves money for finer (than industrial) finishes. Hotel station design must relate to new hotel. Hotel interior as background for and influenced by Grand Hyatt branding. Garage station may be less finished looking both outside and inside in the interest of working within budget.

ADDITIONAL INFORMATION

Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?
