DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

The design intent for proposed lab/admin building is to comfortably accommodate IWTP operations and laboratory staff in a low-maintenance structure with a modern design aesthetic composed of simple architectural forms, features, materials, and colors that complement the architectural vocabulary of structures at the IWTP and around SFIA.

ADDITIONAL INFORMATION

Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?
