### DESIGN CONCEPT

Please provide a succinct description of the design concept or idea (not the functional goals). Attach additional page if needed.

Drawing inspiration from the Bay Area surroundings, create an exterior canvas of materials that celebrates the subtle play of shadow and light that changes throughout the day. Large window forms are inset within an exterior cladding created by weaving two profiles of formed metal panels with thoughtfully designed and visually minimal trim.

### ADDITIONAL INFORMATION

Is this project on a City designated landmark or in a City designated historic district? If yes, have you contacted staff of the Historic Preservation Commission to determine whether a certificate of appropriateness is required?

### COMMUNITY OUTREACH

It is your obligation to notify the community (by mail or email) that there is opportunity for public comment at the Civic Design Review Meeting. This is an important part of the public process. What has been done in this regard?
