DIMENSIONS, SPECS AND OTHER DETAILS

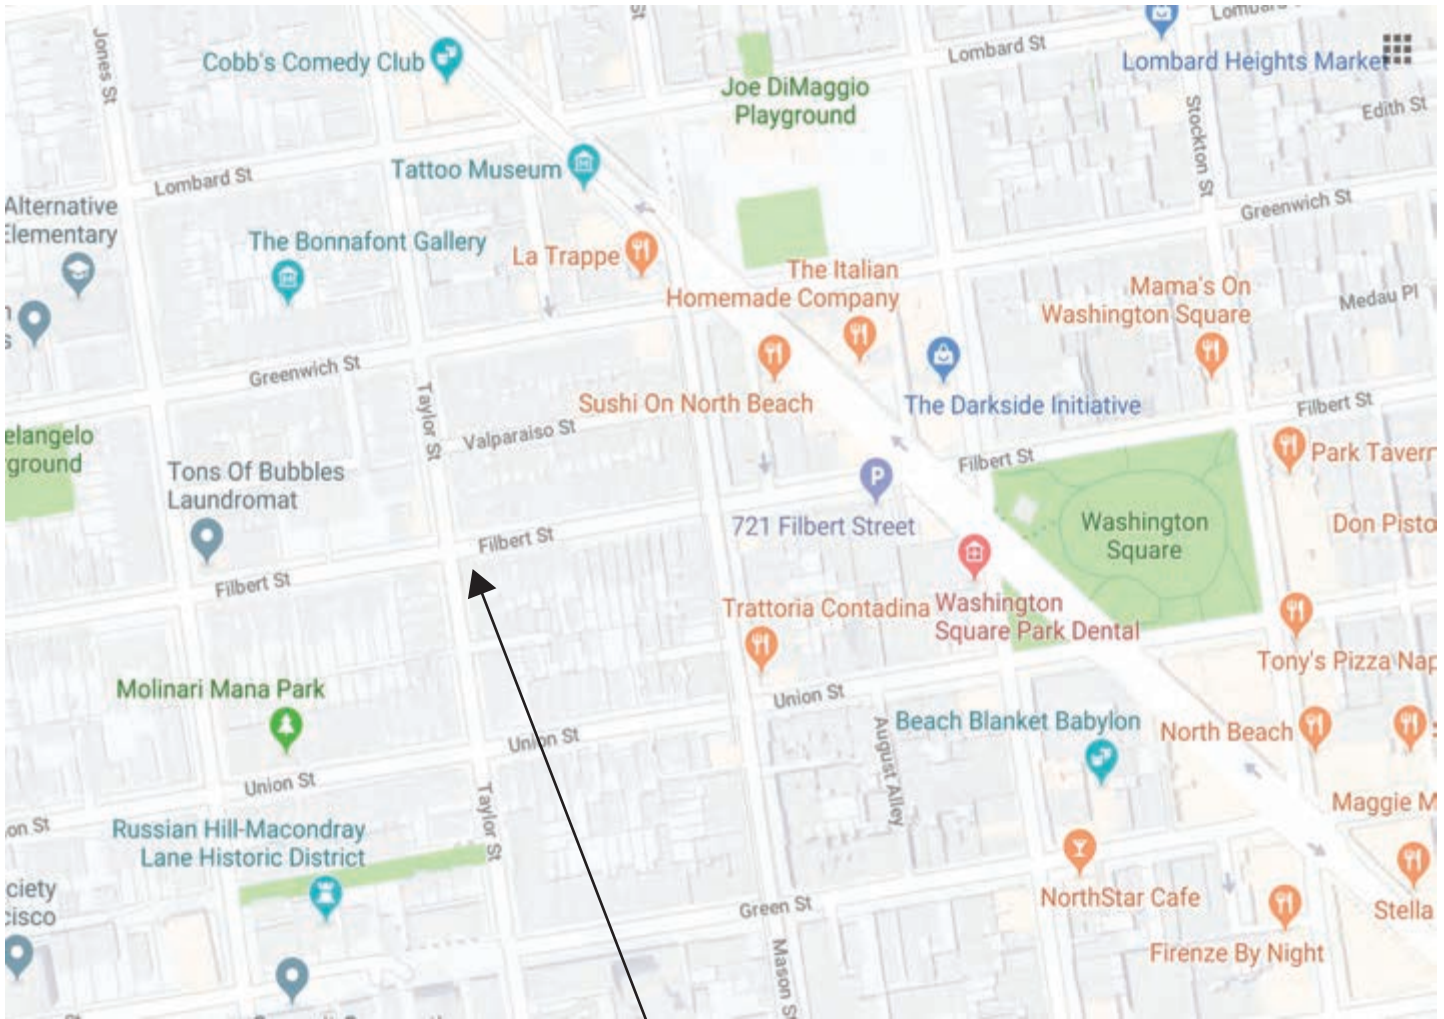

The Tina Modotti commemorative plaque will be made out of bronze. It will be 18" in diameter and approximately 1/4" thick. The plaque will be made by Artworks Foundry, who also made the Rainbow Honor Walk plaques. It will be fabricated in the same style as those plaques, with the dark areas, i.e. the image and the text, recessed and stained dark, and the light areas raised and sanded bright.

The plaque's text will read:

Tina Modotti
1896-1942
Photographer and Revolutionary

Lived here
1952 Taylor Street
1913-1918

LOCATION AND INSTALLATION DETAILS

Proposed plaque location

The plaque will be installed in the sidewalk at the southeast corner of Taylor and Filbert Streets, outside of the 1952 Taylor Street building.
