Long Term Temporary Artwork by Joel Buka for Installation at 645 Texas Street Sponsored by Trumark Properties

Trumark Properties, a private developer, wishes to sponsor a temporary long term installation of a teak wood sculpture by San Francisco artist Joel Buka to be placed in sidewalk bulb out at 645 Texas Street in the Dogpatch District. This is a voluntary contribution of the developer and is not a private 1% for art requirement. The Developer will enter into an MOU with the SFAC to provide for the long term maintenance, repair, graffiti removal and deinstallation of the work. The accompanying Explanatory Document shows the location of the artwork in the context of the development project.

Motion: Motion to approve the installation of a long term temporary artwork by Joel Buka at no cost to the City to be located at 645 Texas Street which shall be sponsored by Trumark Properties.
