Artist Biography (Please provide a short biography about yourself and your craft)

Hello, i am a handyman who would like to craft things by own Creations.

1 Describe your work in detail How do you make it?

different design, Different ways, But Generally i get one of the wire and cut into length of the ring size i expected, then i use the pressor to press the ring to round shape with the right roll size, when you see both edges are touched with alittle compression, then you adjust to even level if needed, then for the final step, i need to use alittle piece of right media soldering coil , while holding from top part of the ring with the clamp, then you apply flex water on top of the joint, and then you grub that soldering coil on that joint and use the torch forward it untill solder coil melt, then you stop everything and put the ring in cold water , then you finish the piece after cleaning and make it shiny with Jewelry Cleaner

2. Where did you learn your craft?

i have learned alot of steps from Xiang Li, i also explore some other skills and techniques from networks

3 Did you take a class or learn on your own?

learn on my own and hands on training with Xiang Li
