At this time, members of the public may address the Board on items of interest to the public that are within the subject matter jurisdiction of the Board except agenda items. When the agenda item has already been reviewed in a public hearing at which members of the public were allowed to testify and the Board has closed the public hearing, your opportunity to address the Board must be exercised during the Public Comment portion of the calendar. Each member of the public may address the Board for up to three minutes. If it is demonstrated that comments by the public will exceed 15 minutes, the President may continue Public Comment to another time during the meeting.
