

2021 Proposed work plan for ACWC

Jane Tobin

1. Administrative/Education

- Finalize administrative support for commission - requires amending code to state the department that provides administrative support. Amending the code will also include the new name for the commission. Lastly, identify a Supervisor to sponsor the change in code.
- Solidify 2021 representatives from Recreation and Parks, Police, and Department of Public Health who will advise and attend meetings.
- Reporting - regular statistical reports from Animal Care and Control, rescue partners. Presented and posted at specific times throughout the year.
- Public Education series - each month the Commission will introduce a new topic of animal welfare to the public.

2. Advocacy

- Keeping pets with guardians in times of crisis
 - Domestic violence
 - Rehab
 - Disasters
- Examine promoting plant-based diet in agencies serving San Franciscans

3. COVID impacts

Exploring how COVID has impacted current practices related to animals and how it may shape future practices.

Please note, this a proposed commission work plan for the full commission. My participation will be refined after the January commission meeting
