MEMORANDUM

DATE: September 2, 2014

TO: Honorable Civil Service Commission

THROUGH: Micki Callahan, Human Resources Director

FROM: Justice Israel, Client Services Consultant

SUBJECT: Report of Exempt Positions Under Charter Sections
10.104-16 Through 10.104-18

Charter Sections 10.104-16, 10.104-17, and 10.104-18 provide that certain part-time, seasonal, temporary and substitute positions may be exempt from civil service selection, appointment, and removal procedures subject to approval of the Civil Service Commission. On June 3, 1996, the Civil Service Commission adopted procedures and guidelines for the processing and approval of such appointments. The Commission also authorized the Human Resources Director to act on written requests for exemptions, issue instructions to departments proposing exemptions, and provide the Commission with reports regarding these transactions.

This report covers position requests approved under Charter Sections 10.104-16, 10.104-17, and 10.104-18 from January 1st through June 30th of 2014 for all City departments, excluding the Municipal Transportation Agency, Community College District and Unified School District. The position requests are reported by department, exempt category and classification.

Enforcement of 1,040 Hour Limit for Temporary Exempt Category 16 Employees

Charter Section 10.104-16 dictates that temporary exempt ("TEX") appointees not exceed the equivalent of half-time (1,040 hours) during any fiscal year and any appointments that exceed the 1,040 hour limit within a fiscal year are considered invalid. As the central human resources department, the Department of Human Resources ("DHR") is responsible for ensuring that all City employees maintain valid appointments. In March of 2014, DHR launched a program designed to help departments manage their TEX appointments more effectively. The overall purpose of the program is to avoid Charter violations; provide benefits to those who are entitled to them; separate TEX employees who are either not working or whose hours are very limited; and convert positions held by TEX employees to permanent civil service ("PCS") positions where appropriate.

As a result of the program, the number of exempt category 18 position requests and appointments increased significantly during the second half of the 2013-2014 fiscal year as many departments addressed the TEX appointments. Many category 16 appointments were transitioned to category 18 positions pending PCS appointments or to category 18 project-based positions, which allowed the City to continue providing crucial services unimpeded. Further, many intern appointments, which have traditionally been approved as TEX 16, were approved as category 18 projects, which also contributed to the increase.

Notes

In August 2012, the City converted its Human Resources management system from PeopleSoft 7.5 to eMerge PeopleSoft 9.0. This conversion required a wholesale revision of most of the processes and operations involving the establishment, approval and filling of positions. One of the significant and necessary changes resulting from the conversion was the elimination of the use of Requisitions as they had been known in PeopleSoft 7.5. In their place, the eMerge PeopleSoft 9.0 Position Request has come to represent the authority for a department to fill a position. For the purposes of this report, the term "Position Request" has been substituted for Requisition.

Because this report pertains to Position Requests which were approved during the six-month period from January to June 2014, some of the appointments made to these positions at the beginning of this period may have since ended. Other requests approved during this period may still be in the process of being filled. Additionally, many Temporary Exempt position requests include a headcount of more than one. Therefore, the list should not be equated to the number of exempt appointments made in these categories during this period.

Summary of Position Requests in eMerge PeopleSoft

The number of Position Requests in exempt categories 16-18 approved from January 1 through June 30, 2014, was:

Category 16:	145
Category 17:	67
Category 18:	531
Total	743

Summary of Appointments

As of June 30, 2014, the number of appointments in each category, and their respective percentage of the City's total workforce of 30,000, was:

		% of Total Workforce (30,000)	Hours Worked (49,371,148)	
Category 16:	3,310	11.0%	2,401,436	4.86%
Category 17:	67	0.2%	188,288	0.38%
Category 18:	1,689	5.6%	2,307,816	4.67%
Total	5066	16.4%	4,897,540	9.92%

The exempt categories are described below:

- 16 - Temporary and seasonal appointments not to exceed the equivalent of half-time during any fiscal year, except that such positions may be filled through regular civil service procedures.
- 17 - Appointments, which shall not exceed two years and shall not be renewable, as substitutes for civil service employees on leave, except that such positions may be filled through regular Civil Service procedures.

- 18 - Appointments, which shall not exceed three years and shall not be renewable, for special projects and professional services with limited term funding, except that such positions may be filled through regular Civil Service Commission procedures.
