MEMORANDUM

DATE: February 21, 2019
TO: Honorable Civil Service Commission
THROUGH: Micki Callahan
Human Resources Director 
FROM: Shawn Sherburne, Client Services Manager
Adam Romoslowski, Senior Human Resources Consultant
SUBJECT: Report of Appointments Exempt from Civil Service under Charter Sections
10.104-16 through 10.104-18

This report provides information about appointments that are exempt from Civil Service Rules under Charter sections 10.104-16 through 10.104-18 as of July 1, 2018 to December 31, 2018, and highlights the process that the Department of Human Resources (“DHR”) and departments use to effectively manage the duration of these appointments.

Background

Subject to approval of the Civil Service Commission (“Commission”), Charter sections 10.104-16 through 10.104-18 state that certain part-time, seasonal, temporary, substitute and project positions may be exempt from civil service selection, appointment, and removal procedures. On April 8, 2014, the Commission updated and adopted procedures and guidelines for the processing and approval of such appointments. The Commission gave the Human Resources Director the authority to review and approve written requests for exemptions and issue instructions to departments proposing exemptions. DHR provides the Commission with a semi-annual report regarding these transactions.

This report includes information for all City departments except the Municipal Transportation Agency, Trial Courts, Community College District, and the Unified School District.

Exempt Position Request and Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Charter section 10.104-16 dictates that appointees cannot work more than the equivalent of half-time time (1,040 hours) during any fiscal year. Any appointments exceeding the 1,040-hour limit within a fiscal year are considered invalid. Consistent with the Charter, the Human Resources Director is responsible for ensuring all City employees are in valid appointments.

For Charter section 10.104-16 position requests, departments must justify the exempt nature of the position under one of the following categories:

1. Seasonal Work
2. Peak Workloads
3. Sporadic Work
4. Backfill for an Employee on a Leave of Absence

5. Disasters /Emergencies
6. Anticipation of a PCS Appointment (when waiting for an eligible list to be adopted, or while the post-referral selection process is being conducted)

In addition, departments must also include an explanation for the temporary hire, essential job duties to be performed, and the duration of the exempt appointment on position requests.

Once an incumbent is appointed, departments are expected to appropriately manage the incumbent's work hours. Pursuant to the Charter limitation, departments must separate Charter section 10.104-16 employees before the employee exceeds the Charter limit of 1,040 hours in a fiscal year. DHR implemented a centralized program in 2014 to help departments manage their Charter section 10.104-16 employees by tracking their hours, notifying both the department and the employee when the employee approaches the Charter limit, and automatically separating those employees over the Charter limits should departments fail to do so.

In November 2014, DHR developed and provided training on the use of Charter section 10.104-16 appointments, including interactive online, on-demand instructional videos explaining the Charter exemption and category justifications. The training also includes policies on the maximum head count for each position a department may request along with the guidance on the different ways a department can manage Charter section 10.104-16 appointments. This training is continuously available on the DHR website.

Charter Section 10.104-17: Substitute for Permanent Civil Service Employees on Leave Positions

When submitting Charter section 10.104-17 position requests, departments must indicate the name of the permanent civil service (PCS) employee on a leave of absence and that PCS employee's expected return to work date. Given the limitations included in the Charter, Charter section 10.104-17 positions are not approved without a valid PCS incumbent on leave, for which the department is temporarily filling through a Charter section 10.104-17 appointment.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter sections 10.104-17 including both classroom and online, on-demand instruction.

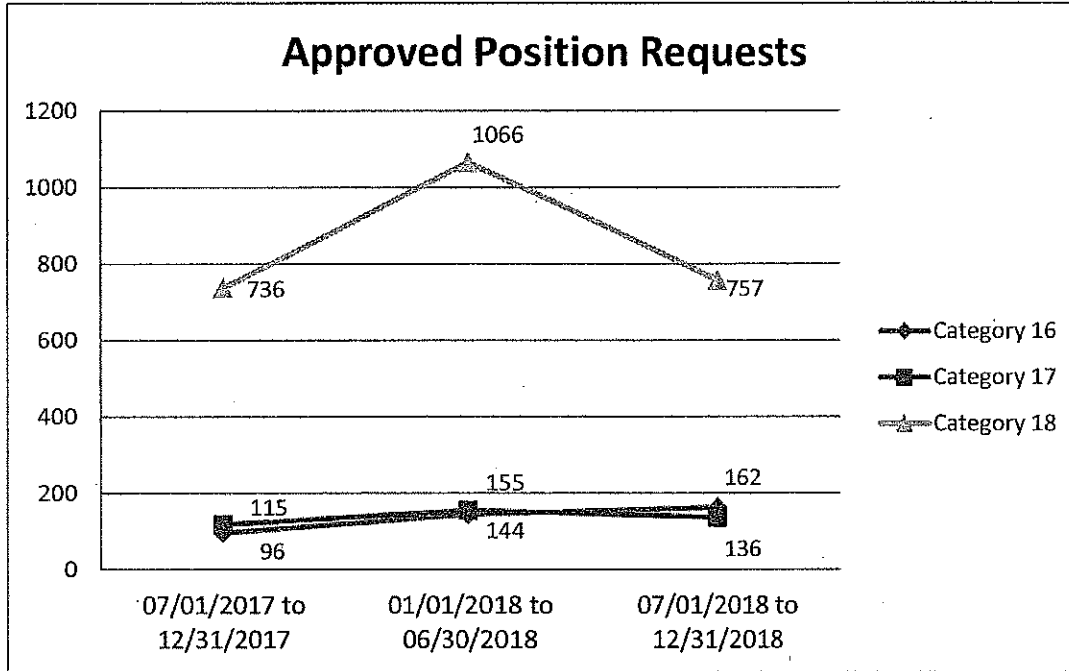

Charter Section 10.104-18: Special Project or Professional Services Positions

For Charter section 10.104-18 position requests, departments provide the title of the special project or professional services, anticipated duration of the appointment in months, detailed description of the project (including project objective, deliverables, and scope of work), and specific and essential duties to be performed as they relate to the project.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter sections 10.104-18 including both classroom and online, on-demand instruction.

Exempt Position Request and Appointment Trends

The following chart shows trends on approved position requests:

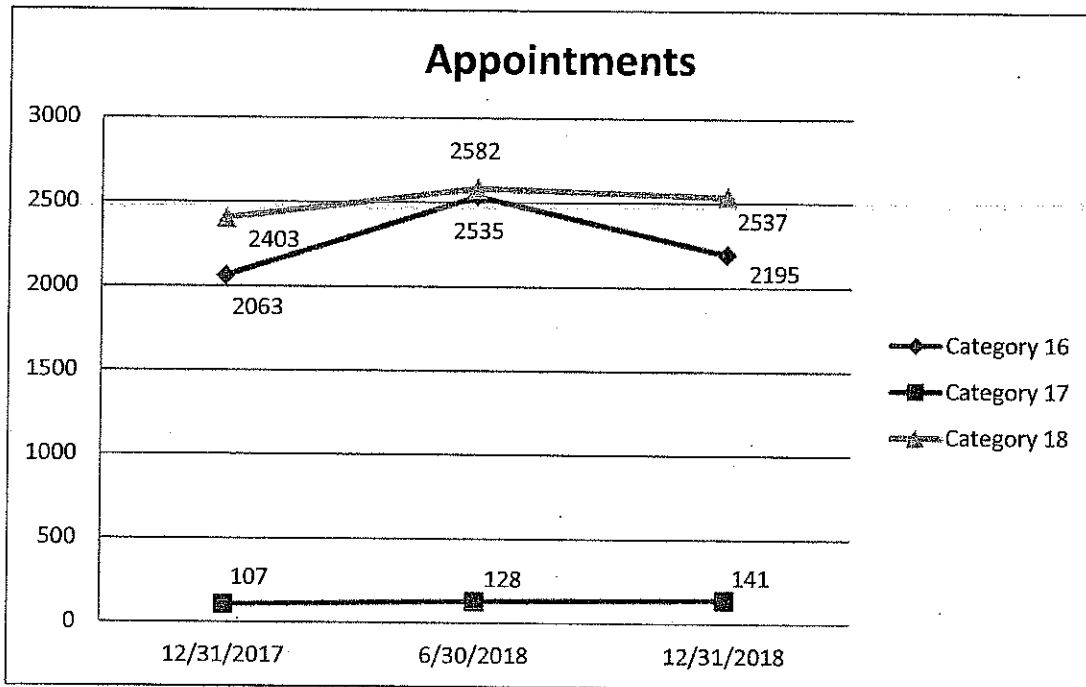

Over the last six months, the City experienced a decrease in the number of position requests in Charter sections 10.104-17 and 10.104-18 and an increase for position requests in Charter section 10.104-16.

Although we typically see a decrease in the number of Charter section 10.104-16 position requests (162 requests) during the first half of the fiscal year as departments conclude seasonal hiring, this year was a mid-term election year and the Department of Elections prepared for a historic turnout by creating “seasonal” as-needed positions to staff the election.

The number of Charter section 10.104-17 position requests (136 requests) is consistent with the prior reporting periods. Position requests under this Charter section are directly linked to the backfill of permanent civil service (PCS) employees on leave.

The decrease in Charter section 10.104-18 position requests (757 requests) aligns with position requests in the first half of the 2017-2018 fiscal year. This decrease is also pronounced as there was an increase in position requests in the second half of the 2017-2018 fiscal year that were largely attributed to the Departments of Public Works (DPW) and Public Health (DPH). In that period, both departments increased their Charter section 10.104-18 position requests due to various building projects (DPW) and a department-wide Electronic Health Records project (DPH).

The following chart shows trends related to exempt appointments:

Over the past six months, the City experienced a decrease in the number of appointments in Charter section 10.104-16 and 10.104-18, and an increase in the number of appointments in Charter section 10.104-17. DHR and City departments continue to ensure the appropriate use of Charter section 10.104-16, 10.104-17 and 10.104-18 appointments so the decreases reflect this effort.

As of December 31, 2018, the total number of Charter section 10.104-16 appointments was 2,195. During the reporting period, the following departments made a significant number of Charter section 10.104-16 appointments:

- Department of Elections made 124 appointments to as-needed, “Seasonal Work” positions predominately utilized to hire for the 2018 mid-term elections.
- Recreation and Parks Department made 102 appointments to as-needed, “Seasonal Work” and “Sporadic Work” positions. The Department hired Charter section 10.104-16 for indoor activities and maintenance throughout the city, as needed.

The below table provides the number of Charter section 10.104-16 appointments by type:

Charter Section 10.104-16 Type	Number of Appointments through December 31, 2018
Seasonal Work	278
Peak Workload	78
Sporadic Work	229
Backfill for an employee on leave	208
Disasters/Emergencies	2
Anticipation of a PCS Appointment	16
<i>No Charter Section 10.104-16 Type Indicated¹</i>	1384

¹ Position requests submitted prior to November 10, 2014 did not include the Charter section 10.104-16 type field.

As of December 31, 2018, the total number of Charter section 10.104-17 appointments was 141, which is consistent with the prior reporting periods. Appointments under this Charter section are directly linked to the backfill of permanent civil service (PCS) employees on leave.

As of December 31, 2018, the total number of Charter section 10.104-18 appointments was 2,537. Nearly 800 of these appointments were made to various training programs which provide job-related work experience for employment in designated target classifications. Moreover, twenty (20) departments offered training programs. Examples of common training programs resulting in Charter section 10.104-18 appointments during the reporting period include the JobsNow Program, San Francisco Fellows Program, Human Resources Analyst Training Program, Accountant Intern Program, and Student Design Training Program.

For additional detail, this report includes supporting data on appointments and approved position requests (Attachment A), a listing of approved position requests reported by department, classification and exempt category (Attachment B), and a listing of all Charter section 10.104-16 appointments by department (Attachment C).

Conclusion

The combined efforts of DHR and City departments continue to ensure appropriate use of exempt position requests and appointments in Charter sections 10.104-16 through 18.

Recommendation

Adopt the report.
