MEMORANDUM

DATE: September 5, 2017
TO: Honorable Civil Service Commission
THROUGH: Micki Callahan
Human Resources Director
FROM: Shawn Sherburne, Client Services Manager
Katsuina Leblanc, Senior Human Resources Consultant
SUBJECT: Report of Appointments Exempt from Civil Service under Charter Sections 10.104-16 through 10.104-18

This report provides information about appointments that are exempt from Civil Service Rules under Charter Sections 10.104-16 through 10.104-18 as of January 1, 2017 to June 30, 2017, and highlights the process that the Department of Human Resources (“DHR”) and departments use to effectively manage the duration of these appointments.

Background

Charter Sections 10.104-16 through 10.104-18 provide that certain part-time, seasonal, temporary, substitute and project positions may be exempt from civil service selection, appointment, and removal procedures subject to approval of the Civil Service Commission (“Commission”). On April 8, 2014, the Commission updated and adopted procedures and guidelines for the processing and approval of such appointments. The Commission gave the Human Resources Director the authority to review and approve written requests for exemptions and issue instructions to departments proposing exemptions. DHR provides the Commission with a semi-annual report regarding these transactions.

This report includes information for all City departments except the Municipal Transportation Agency, Trial Courts, Community College District, and the Unified School District.

Exempt Position Request and Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Charter Section 10.104-16 dictates that appointees cannot work more than the equivalent of half-time time (1,040 hours) during any fiscal year. Any appointments exceeding the 1,040 hour limit within a fiscal year are considered invalid. Consistent with the Charter, the Human Resources Director is responsible for ensuring all City employees are in valid appointments.

For Charter Section 10.104-16 position requests, departments must justify the exempt nature of the position by properly selecting one of the following categories:

1. Seasonal Work
2. Peak Workloads
3. Sporadic Work
4. Backfill for an Employee on a Leave of Absence

5. Disasters /Emergencies
6. Anticipation of a PCS Appointment (when waiting for an eligible list to be adopted, or while the post-referral selection process is being conducted)

In addition, departments include an explanation for the temporary hire, essential job duties to be performed, and the duration of the exempt appointment on position requests.

Once an incumbent is appointed, departments are expected to appropriately manage the incumbent's work hours. Pursuant to the Charter limitation, departments must separate Charter Section 10.104-16 employees before the employee exceeds the Charter limit of 1,040 hours in a fiscal year. DHR implemented a centralized program in 2014 to help departments manage their Charter Section 10.104-16 employees by tracking their hours, notifying both the department and the employee when the employee approaches the Charter limit, and automatically separating those employees over the Charter limits should departments fail to do so.

DHR developed and provided training on the use of Charter Section 10.104-16 appointments, including interactive online, on-demand instructional videos explaining the Charter exemption and category justifications. The training also includes policies on the maximum head count for each position a department may request along with the guidance on the different ways a department can manage Charter Section 10.104-16 appointments. This training is continuously available on the DHR website.

Charter Section 10.104-17: Substitute for Permanent Civil Service Employees on Leave Positions

When submitting Charter Section 10.104-17 position requests, departments must indicate the name of the permanent civil service (PCS) employee on a leave of absence and that PCS employee's expected return to work date. Given the limitations included in the Charter, Charter Section 10.104-17 positions are not approved without a valid PCS incumbent on leave, for which the department is temporarily filling through a Charter Section 10.104-17 appointment.

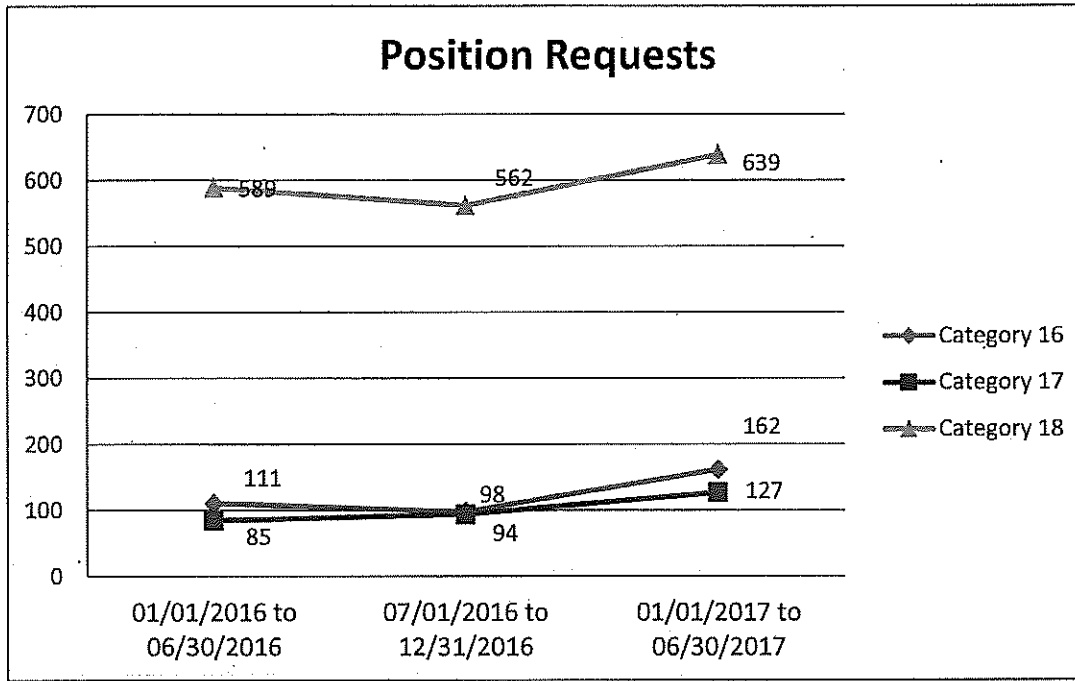

Charter Section 10.104-18: Special Project or Professional Services Positions

For Charter Section 10.104-18 position requests, departments provide the title of the special project or professional services, anticipated duration of the appointment in months, detailed description of the project (including project objective, deliverables, and scope of work), and specific and essential duties to be performed as they relate to the project.

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter Sections 10.104-17 and Charter Sections 10.104-18 including both classroom and online, on-demand instruction.

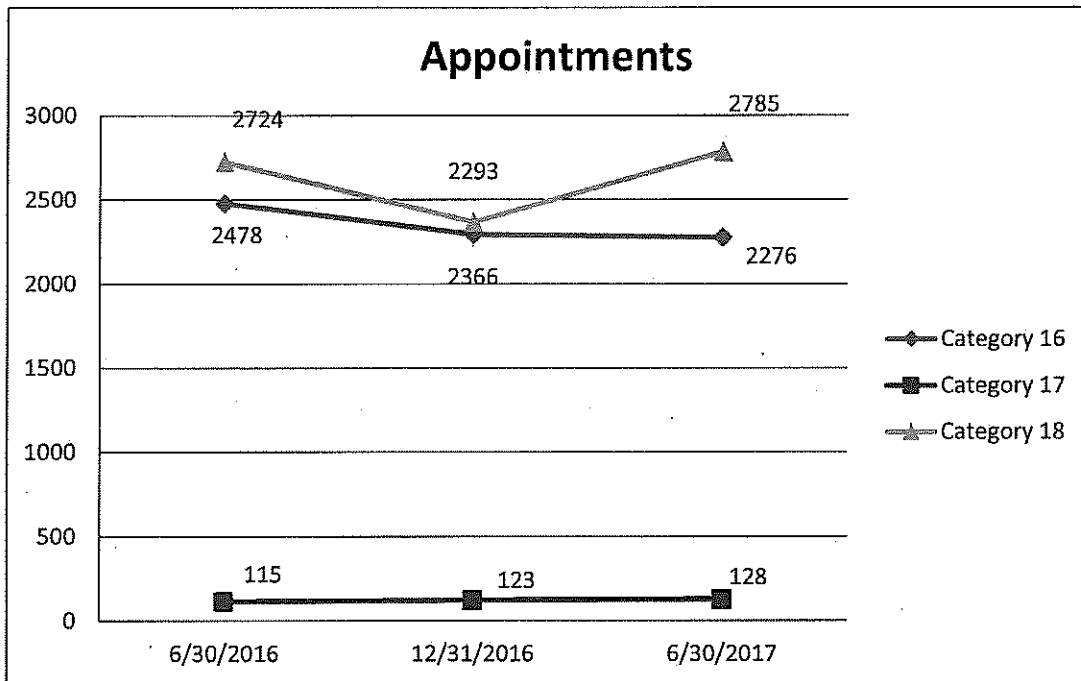

Exempt Position Request and Appointment Trends

The following chart shows trends on approved position requests:

Over the past six months, the City experienced an increase in the number of position requests in Charter Sections 10.104-16 through 18. This increase is a normal trend as departments expand services in the spring and summer. For example, the Recreation and Parks Department appoints seasonal staff for recreation centers, swimming pools, and activity programs under Charter Section 10.104-16. Additionally, departments increased the number of position requests for the Financial System Project (F\$P) to implement changes to current systems. The F\$P is a Citywide initiative led by the Controller's Office to implement a comprehensive enterprise resource planning system, which includes financial, supply chain management and reporting and analytics functionality.

The following chart shows trends related to exempt appointments:

Over the past six months, the City experienced a decrease in the number of appointments in Charter Section 10.104-16 and an increase in the number of appointments for Charter Sections 10.104-17 and 10.104-18. As previously noted for Charter Sections 10.104-18 position requests, the increase in Charter Sections 10.104-18 appointments is also largely attributed to the implementation of the citywide Financial Services Project (F\$P).

As of June 30, 2017, the total number of Charter Section 10.104-16 appointments was 2,276. The most common type of Charter Section 10.104-16 appointments made during the reporting period are:

- Recreation and Parks Department – 1,131 appointments, the majority of which were in class 3208 Pool Lifeguard (137 appointments) and class 3279 Recreation Leader (654 appointments). These positions are filled every summer for summer day camps, Camp Mather, and San Francisco’s aquatics programs.
- The Department of Public Health -- 372 appointments. “Backfill for an Employee on Leave” was predominantly utilized.

The below table illustrates the number of Charter Section 10.104-16 appointments by type:

Charter Section 10.104-16 Type	Number of Appointments through June 30, 2017
Seasonal Work	197
Peak Workload	68
Sporadic Work	262
Backfill for an employee on leave	253
Disasters/Emergencies	0
Anticipation of a PCS Appointment	35
No Charter Section 10.104-16 Type Indicated ¹	1461

¹ Position requests submitted prior to November 10, 2014 did not include the Charter Section 10.104-16 type field.

As of June 30, 2017, the total number of Charter Section 10.104-18 appointments was 2,785. A large number of these appointments were made to various training programs which provide job-related work experience for employment in designated target classifications. Moreover, twenty (20) departments offered training programs, resulting in 930 appointments. Examples of common training programs resulting in Charter Section 10.104-18 appointments during the reporting period include the JobsNow Program, San Francisco Fellows Program, Human Resources Analyst Training Program, Accountant Intern Program, and Student Design Training Program.

For additional detail, this report includes supporting data on appointments and approved position requests (Attachment A), a listing of approved position requests reported by department, classification and exempt category (Attachment B), and a listing of all Charter Section 10.104-16 appointments by department (Attachment C).

Conclusion

The combined efforts of DHR and City departments have succeeded in ensuring appropriate use of exempt position requests and resulting appointments in Charter Sections 10.104-16 through 18.

Recommendation

Adopt the report.
