SUBJECT: Report of Appointments Exempt from Civil Service under Charter Sections 10.104-16 through 10.104-18

This report provides information about appointments that are exempt from Civil Service Rules under Charter Sections 10.104-16 through 10.104-18 as of January 1 to June 30, 2016, and highlights the process that the Department of Human Resources (DHR) and departments use to effectively manage the duration of these appointments.

Background

Charter Sections 10.104-16 through 10.104-18 provide that certain part-time, seasonal, temporary, substitute, and project positions may be exempt from civil service selection, appointment, and removal procedures subject to approval of the Commission. On April 8, 2014, the Commission updated and adopted procedures and guidelines for the processing and approval of such appointments. The Commission gave the Human Resources Director the authority to review and approve written requests for exemptions and issue instructions to departments proposing exemptions. DHR provides the Commission with a semi-annual report regarding these transactions.

This report includes information for all City departments except the Municipal Transportation Agency, Trial Courts, Community College District, and the Unified School District.

Note: The term “position request” has replaced the term “requisition” to represent a department’s authority to fill a position in eMerge PeopleSoft, and this report reflects that change.

Exempt Position Request and Appointment Efforts Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Charter Section 10.104-16 dictates that appointees cannot work more than the equivalent of half-time (1,040 hours) during any fiscal year, and that any appointments exceeding the 1,040 hour limit within a fiscal year are considered invalid. Consistent with the Charter, the Human Resources Director is responsible for ensuring all City employees are in valid appointments.

For Charter Section 10.104-16 position requests, departments must justify the exempt nature of the position by properly selecting one of the following categories:

1. Seasonal Work
2. Peak Workloads
3. Sporadic Work
4. Backfill for an Employee on a Leave of Absence
5. Disasters /Emergencies
6. Anticipation of a PCS Appointment (when waiting for an eligible list to be adopted, or while the post-referral selection process is being conducted)

In addition, departments include an explanation for the temporary hire, essential job duties to be performed, and the duration of the exempt appointment on position requests.

Once an incumbent is appointed, departments are expected to appropriately manage the incumbent's work hours. Pursuant to the Charter limitation, departments must separate Charter Section 10.104-16 employees before the employee exceeds the Charter limit of 1,040 hours in a fiscal year. DHR implemented a centralized program in 2014 to help departments manage their Charter Section 10.104-16 employees by tracking their hours, notifying both the department and the employee when the employee approaches the Charter limit, and automatically separating those employees over the Charter limits should departments fail to do so.

DHR developed and provided training on the use of Charter Section 10.104-16 appointments, including interactive online, on-demand instructional videos explaining the Charter exemption and category justifications. The training also includes policies on the maximum head count for each position a department may request along with the guidance on the different ways a department can manage Charter Section 10.104-16 appointments. This training is continuously available on the DHR website.

Charter Section 10.104-17: Substitute for Permanent Civil Service Employees on Leave Positions

When submitting Charter Section 10.104-17 position requests, departments must indicate the name of the permanent civil service (PCS) employee on a leave of absence and that PCS employee's expected return to work date. Given the limitations included in the Charter, Charter Section 10.104-17 positions are not approved without a valid PCS incumbent on leave, for which the department is temporarily filling through a Charter Section 10.104-17 appointment.

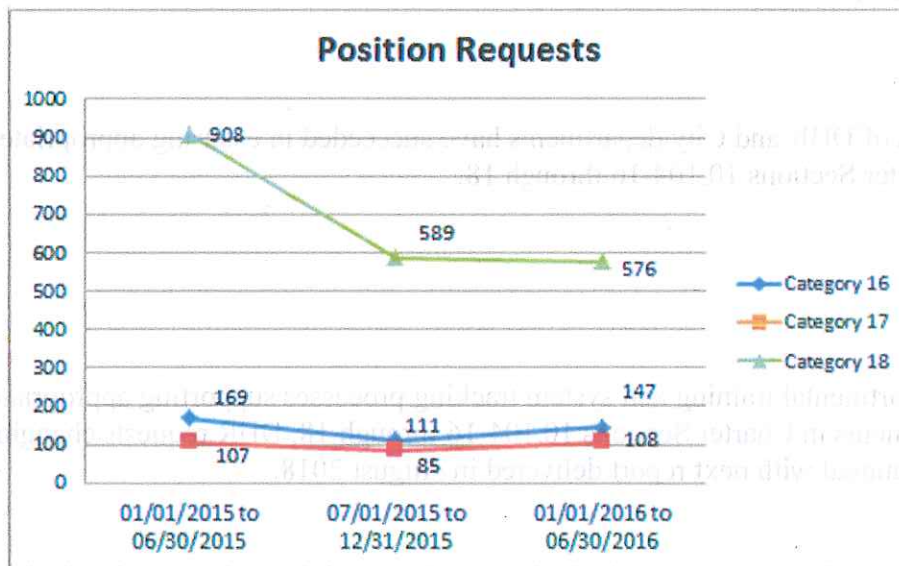

Charter Section 10.104-18: Special Project or Professional Services Positions

For Charter Section 10.104-18 position requests, departments provide the title of the special project or professional services, anticipated duration of the appointment in months, detailed description of the project (including project objective, deliverables, and scope of work), and specific and essential duties to be performed as they relate to the project.

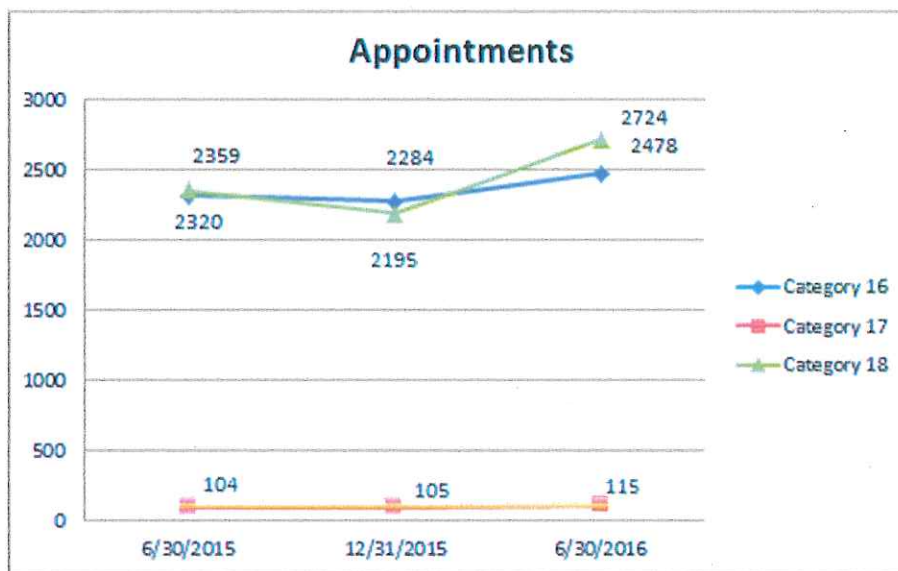

DHR continues to provide resources, training, tracking, and enforcement on appointments and position requests in Charter Sections 10.104-17 and 18 including both classroom and online, on-demand instruction.

Exempt Position Request and Appointment Trends

The following chart shows trends on approved position requests:

The chart below shows trends related to exempt appointments:

Over the past six months, the City experienced an increase in the number of position requests and appointments in Charter Sections 10.104-16 through 18. This increase is a normal trend as departments expand services in the spring and summer. For example, the Recreation and Parks Department appoints seasonal staff for recreation centers, swimming pools, and activity programs under Charter Sections 10.104-16. Additionally, appointments were made at the Department of Elections for the June presidential primary election, the Human Services Agency for the Jobs Now Program, and the Fine Arts Museums for new exhibits. Departments citywide also appointed high school and college students, recent graduates, and job seekers with limited work histories into public service aide and trainee positions under Charter Sections 10.104-18 to provide on-the-job training and experience. There was no significant change in Charter Section 10.104-17 appointments to backfill positions that have employees on approved leave of absences.

For additional detail, this report includes supporting data on appointments and approved position requests (Attachment A) and a listing of approved position requests reported by department, classification, and exempt category (Attachment B).

Conclusion

The combined efforts of DHR and City departments have succeeded in ensuring appropriate use of exempt appointments in Charter Sections 10.104-16 through 18.

Recommendation

Adopt the report.

Due to improved departmental training and system tracking processes supporting appropriate use of positions requests and appointments in Charter Sections 10.104-16 through 18, DHR requests changing report frequency from semi-annual to annual with next report delivered in August 2018.
