SUBJECT: Report of Appointments Exempt from Civil Service under Charter Sections 10.104-16 through 10.104-18

This report provides information about appointments that are exempt from Civil Service Rules under Charter Sections 10.104-16 through 10.104-18 as of July 1, 2016 to December 31, 2016, and highlights the process that the Department of Human Resources (“DHR”) and departments use to effectively manage the duration of these appointments.

Background

Charter Sections 10.104-16 through 10.104-18 provide that certain part-time, seasonal, temporary, substitute and project positions may be exempt from civil service selection, appointment, and removal procedures subject to approval of the Civil Service Commission (“Commission”). On April 8, 2014, the Commission updated and adopted procedures and guidelines for the processing and approval of such appointments. The Commission gave the Human Resources Director the authority to review and approve written requests for exemptions and issue instructions to departments proposing exemptions. DHR provides the Commission with a semi-annual report regarding these transactions.

This report includes information for all City departments except the Municipal Transportation Agency, Trial Courts, Community College District, and the Unified School District.

Exempt Position Request and Program Overview

Charter Section 10.104-16: Temporary and Seasonal Positions

Charter Section 10.104-16 dictates that appointees cannot work more than the equivalent of half-time time (1,040 hours) during any fiscal year. Any appointments exceeding the 1,040 hour limit within a fiscal year are considered invalid. Consistent with the Charter, the Human Resources Director is responsible for ensuring all City employees are in valid appointments.

For Charter Section 10.104-16 position requests, departments must justify the exempt nature of the position by properly selecting one of the following categories:

1. Seasonal Work
2. Peak Workloads
3. Sporadic Work
4. Backfill for an Employee on a Leave of Absence

5. Disasters /Emergencies
6. Anticipation of a PCS Appointment (when waiting for an eligible list to be adopted, or while the post-referral selection process is being conducted)

In addition, departments include an explanation for the temporary hire, essential job duties to be performed, and the duration of the exempt appointment on position requests.

Once an incumbent is appointed, departments are expected to appropriately manage the incumbent's work hours. Pursuant to the Charter limitation, departments must separate Charter Section 10.104-16 employees before the employee exceeds the Charter limit of 1,040 hours in a fiscal year. DHR implemented a centralized program in 2014 to help departments manage their Charter Section 10.104-16 employees by tracking their hours, notifying both the department and the employee when the employee approaches the Charter limit, and automatically separating those employees over the Charter limits should departments fail to do so.

DHR developed and provided training on the use of Charter Section 10.104-16 appointments, including interactive online, on-demand instructional videos explaining the Charter exemption and category justifications. The training also includes policies on the maximum head count for each position a department may request along with the guidance on the different ways a department can manage Charter Section 10.104-16 appointments. This training is continuously available on the DHR website.

Charter Section 10.104-17: Substitute for Permanent Civil Service Employees on Leave Positions

When submitting Charter Section 10.104-17 position requests, departments must indicate the name of the permanent civil service (PCS) employee on a leave of absence and that PCS employee's expected return to work date. Given the limitations included in the Charter, Charter Section 10.104-17 positions are not approved without a valid PCS incumbent on leave, for which the department is temporarily filling through a Charter Section 10.104-17 appointment.

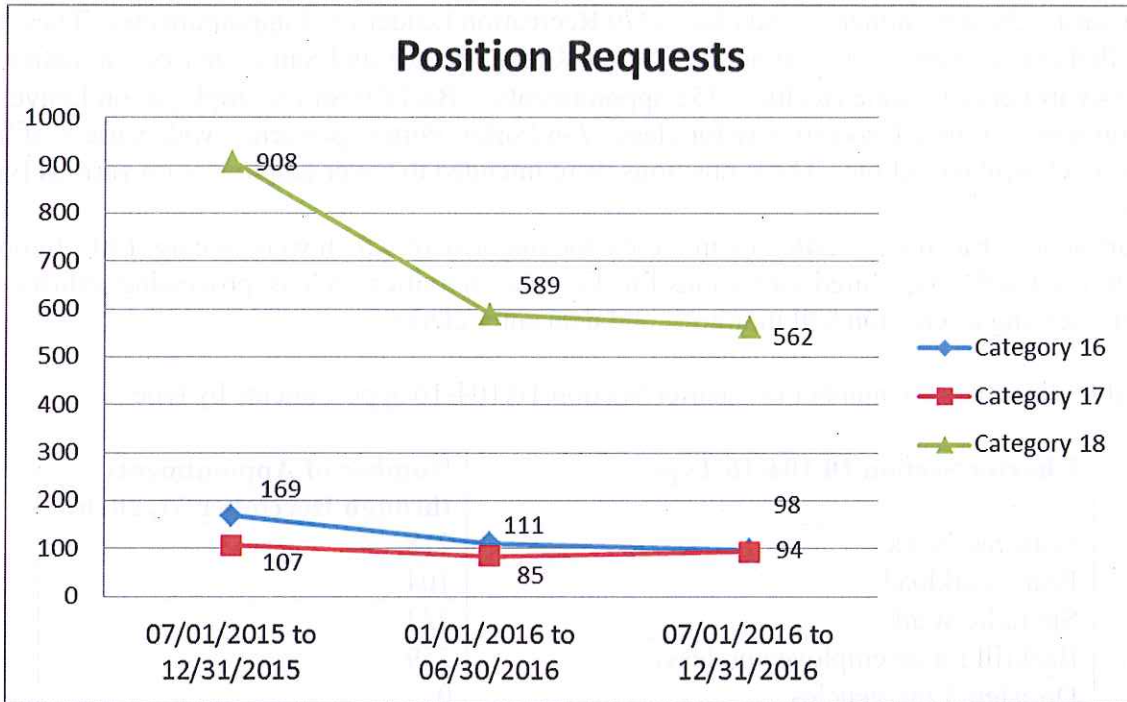

Charter Section 10.104-18: Special Project or Professional Services Positions

For Charter Section 10.104-18 position requests, departments provide the title of the special project or professional services, anticipated duration of the appointment in months, detailed description of the project (including project objective, deliverables, and scope of work), and specific and essential duties to be performed as they relate to the project.

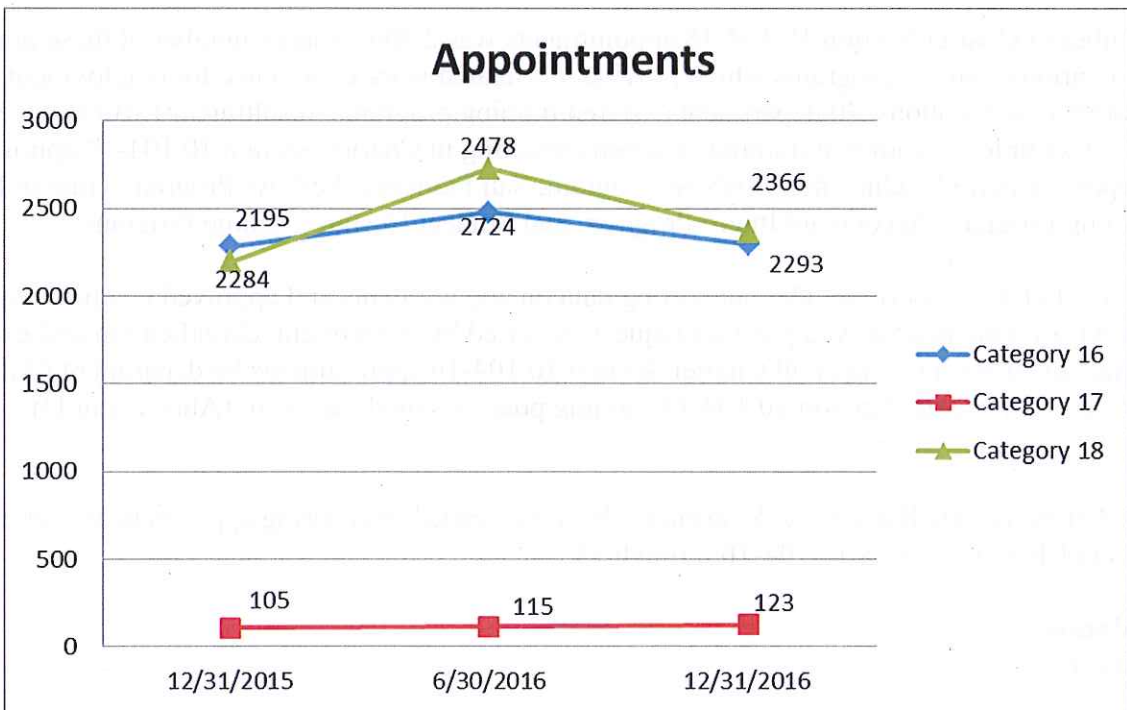

DHR continues to provide resources, training, tracking and enforcement on appointments and position requests in Charter Sections 10.104-17 and Charter Sections 10.104-18 including both classroom and online, on-demand instruction.

Exempt Position Request and Appointment Trends

The following chart shows trends on approved position requests:

The following chart shows trends related to exempt appointments:

Over the past six months, the City experienced a decrease in the number of position requests and appointments in Charter Sections 10.104-16 and Charter Sections 10.104-18. This decrease is a normal trend as departments conclude seasonal hiring. There was an increase in position requests and appointments in Charter Section 0.104-17.

The total number of Charter Section 10.104-16 appointments was 2,293. Examples of common Charter Section 10.104-16 appointments made during the reporting period are:

- Recreation and Parks Department -- 913 appointments, the majority of which were in class 3208 Pool Lifeguard (126 appointments) and class 3279 Recreation Leader (594 appointments). These positions are filled every summer for summer day camps, Camp Mather, and San Francisco’s aquatics programs.
- The Department of Public Health -- 352 appointments. “Backfill for an Employee on Leave” was predominantly utilized, specifically for class 2736 Porter. Porters perform a wide variety of janitorial tasks in a hospital or clinic. These positions were intended to cover employees on various types of leaves.
- Department of Elections -- 248 appointments, the majority of which were in class 1402 Junior Clerk. The Junior Clerks were hired for various Election Day activities such as, processing return vote-by-mail ballots, serving as election hall monitors, and data entry clerks.

The below table illustrates the number of Charter Section 10.104-16 appointments by type:

Charter Section 10.104-16 Type	Number of Appointments through December 31, 2016
Seasonal Work	218
Peak Workload	104
Sporadic Work	223
Backfill for an employee on leave	259
Disasters/Emergencies	0
Anticipation of a PCS Appointment	28
<i>No Charter Section 10.104-16 Type Indicated¹</i>	1461

The total number of Charter Section 10.104-18 appointments was 2,366. A large number of these appointments were made to various training programs which provide job-related work experience for employment in designated target classifications. 20 departments offered training programs, resulting in 1,014 trainee appointments. Examples of common training programs resulting in Charter Section 10.104-18 appointments during the reporting period include the JobsNow Program, San Francisco Fellows Program, Human Resources Analyst Training Program, Accountant Intern Program, and Student Design Training Program.

For additional detail, this report includes supporting data on appointments and approved position requests (Attachment A), a listing of approved position requests reported by department, classification and exempt category (Attachment B), a listing of all Charter Section 10.104-16 appointments by department (Attachment C), and a listing of all Charter Section 10.104-18 training positions by department (Attachment D).

Conclusion

The combined efforts of DHR and City departments have succeeded in ensuring appropriate use of exempt appointments in Charter Sections 10.104-16 through 18.

Recommendation

Adopt the report.
