

3) Indicate if the caller is first, second, or third party. (Reports of Burned Food **must** be from a first party caller, and reports of Extinguished Fire **must** be from a first or second party caller. Otherwise ProQA will not display the "Burned food" or "Extinguished fire" answer choice in the drop down list.)

1. Are you at that location now?

Yes (1st party)
Yes (2nd party)
No (3rd party)
No (4th party)

4) Select the appropriate answer choice: Extinguished fire/Appliance fire/Burned Food:

2. Do you see flames or smoke?

Appliance fire

Caller Statement: "TEST CASE"

1. The caller is on scene (1st party)

5) ProQA will ask Key Questions about the type of structure involved and how many floors or stories there are. Once complete, it will assign the appropriate Determinant Suffix to the Final Determinant Code, sending the code to CAD for Dispatch (eg: 69-D-6E, 69-D-6A or 69-D-6F):

Determinant Suffixes

- R - Trapped person(s)
- X - Single injured person
- Y - Multiple injured persons
- A - Appliance (contained)
- C - Chimney
- E - Extinguished fire (1st/2nd party)
- F - Burned food (1st party)
- K - LIGHT smoke (1st party)
- L - Electrical problem
- O - Odor of smoke

The suffix codes help to delineate the type of problem for specific response and safety purposes.

6) After entering the call for Dispatch, return to ProQA to complete Key Questions, select applicable DLS Links, read appropriate Post Dispatch Instructions (PDIs), and provide Case Exit Instructions to finish the call and correctly close out of ProQA.

Attachment B

I, MICHAEL CASTAGNOLA, declare as follows:

1. I make this declaration based on my personal knowledge and could testify competently to the truth thereof if called as a witness.
3. I am a retired City and County San Francisco Fire Department Captain. I retired on July 1, 2017.
4. I was Captain at Station 38 and was the supervisor of Firefighter Larry Jacobs who was a probationary firefighter from May 13, 2006 through January 2007.
5. During that time Mr. Jacobs and I went to numerous fires including, but not limited to trash fires, structural fires, and cooking fires that our fire unit was not dispatched to. We went to these fires to provide extra training and experience for Firefighter Jacobs.

I declare under penalty of perjury the laws of the State of California that the foregoing is true and correct.

Executed on May 9, 2022 at Sebastopol California.
